Television treat — the BUICK CIRCUS HOUR — every fourth Tuesday

**H**ow would you like the fun of Christmastime to last all the year through?

That's the way it seems to be when you call this Buick beauty your own—what with the constant cheer it brings to you week after week, month after month.

The cheer of traveling in style that's bright and gay as a holiday wrapping.

The cheer of having rich and spacious comfort—plus the cheery thought that nowhere else can you get as much room for the money.

The cheer of knowing abundant and mighty able power is on call, with all the solid thrift of a Fireball 8 Engine

that's valve-in-head—and also high-compression.

The cheer of riding wonderfully buoyant, level and steady—with a ride that feels like the million dollars it cost to perfect.

The cheer of taking your travel free and easy—with Dynaflo Drive® doing the chores in letter-perfect smoothness—with Power Steering\*\* assisting to make parking and slow-motion maneuvers no task at all.

Even the price is a cheerful note here—low enough, you'll find, to crowd the so-named "low-price three."

That means action is called for this very

week, to make the most of this good deal while it lasts.

Why not drop in today or tomorrow and see how much cheer is to be found in a Buick showroom right now?
