Crepe Is Popular

EVERYBODY loves the soft clinging quality of crepe, and every woman of taste is beaming over the revival of this fabric of gentle femininity. Everybody loves cardigans, too, and this interpretation done in a dress of corded crepe of Du Pont rayon and acetate has taken on a fresh new sophistication. The wise use of the crepe by Ben Reig Designs has created a beautifully draped, softly tailored dress for almost any informal occasion.

*What makes
Olympia
so popular?*

Light Olympia, like the beers of Munich and Burton-on-Trent, is famous for quality . . . and largely for the same reason . . . "It's the Water."

Premium quality hops, grains and yeast are used.

Final touch of perfection is the skillful brewing gained through three generations of brewing experience.

MEMO to a busy homemaker

When you manage a household, care for your family and carry your fair share of civic responsibilities, time becomes important in your life. It may seem a minor thing—to call a number of friends and inform them that next week's club meeting will be at Jane's home instead of Ruth's. But even such a minor chore takes time. Will you let us give you a time-saving tip? Start a personal number book. You'll be surprised at how much time it will save. And if you check these numbers from time to time—keeping them up-to-date—you'll also avoid the embarrassment of calling wrong numbers.
