

1953 Fords Go On Display Here Friday

Models of the new 1953 Ford will go on display in Heppner on Friday, C. W. Rosewall, local Ford dealer announced this week.

The new models, marking the 50th anniversary of the Ford motor company are designed with a low, road-hugging look and announce some outstanding improvements in suspension.

The new models are introduced without any increase in present prices.

OREGON'S amazing Green Guards, youth auxiliary of Keep Oregon Green, since it's organization in 1943 has enrolled 50,000 boys and girls on the public service job of preventing forest fires. Judy Scott, 8, of 2360 Bluff Street, Salem, has the honor of being the 50,000th Oregon Green Guard. She receives her certificate of membership from former Governor Charles A. Sprague, who is Marion County Keep Oregon Green Chairman, in ceremonies at Salem last week. Green Guards have built up an astounding record of public service, the ex-governor said, and undoubtedly by alert action have been responsible for saving many forest fires from spreading. Membership is open to any Oregon boy or girl between the ages of 8-16.

The new Standard of the American Road

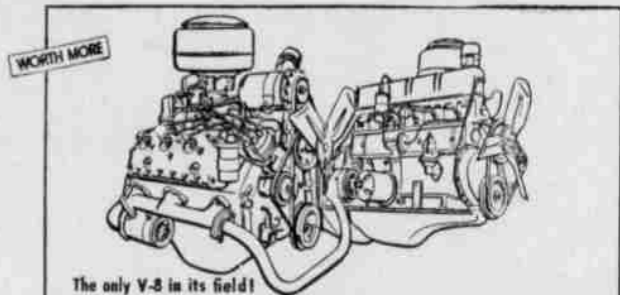

With 41 "Worth More" features, it's worth more when you buy it...worth more when you sell it!

Search no more: the car that exceeds your every driving need is making its bow at your Ford Dealer's!

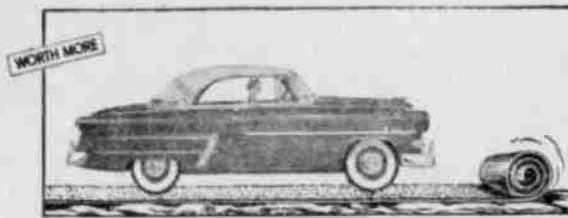

Those of you who have owned Fords in recent years have a hint of the many ways in which this new 1953 Ford sets an entirely new standard for the American Road.

In this new Ford you'll find a new Miracle Ride that sets a new standard of smooth, quiet comfort on level highways or roughest byways. You'll find the easy handling and great visibility you need for today's fast-moving traffic... the "Go" to master today's long-distance driving.

See this Ford... Value Check its 41 "Worth More" features... and Test Drive it. You'll see why this new standard-setting car is worth more when you buy it... worth more when you sell it.

CHOICE OF V-8 OR SIX ENGINES—Ford's 110-h.p. high-compression Strato-Star V-8 has a partner for thrifty "Go" in the 101-h.p. low-friction, high-compression Mileage Maker Six—only modern Six in its field.

New Miracle Ride brings you riding comfort at its level best! Not just softer springs and new shock absorber action, but a smoothly coordinated system of ride control elements that adjusts instantly and automatically to changing road conditions. It's a completely balanced ride... a ride that will give you an entirely new concept of driving comfort on level parkways or rough, rutted byways.

Shift to Fordomatic... and you'll never shift again. It's the finest, most versatile automatic drive ever. Ford also offers the smooth, thrifty Overdrive.

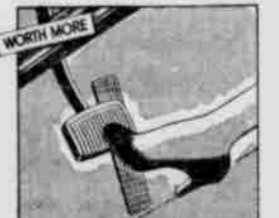

Key-Release Deck Lid opens automatically on counterbalancing hinges when you turn key. Note big trunk space! Ford's hood is counterbalanced, too!

Full-Circle Visibility gives you an unobstructed view of the road... and all the scenery. I-REST tinted safety glass makes driving easier on your eyes.

Center-Fill Fueling prevents hose marks on the finish of your car. No gas spill on fenders. Short gas filler pipe gives you trunk space for an extra suitcase.

Power-Pivot Pedals, suspended from above, operate more easily, eliminate dusty, drafty floor holes, make foot space of the entire floor space.

Automatic Power Pilot saves you money because it gives you high-compression "Go" with regular gas. An economy feature on both V-8 and Six.
