Coffee Hours Around The Clock
No beverage compares with good coffee in popularity in this country of ours. "Let's have a cup of coffee" rings out from coast to coast at any hour of the day or night. Making good coffee every time, not only is a mark of hospitality, but establishes a glamorous reputation for any homemaker with friends dropping in for a game of cards or to chat.
Instant coffee has really come into its own and is being used more and more in American homes as the family coffee for all occasions. Fresh and full-bodied coffee now can be on tap. No coffee grounds, no coffee-makers to wash and store and no waste!
For each cup needed at the coffee hour, just place one rounded teaspoon of instant coffee (more or less rounded according to desired strength) in the bottom of your coffee-maker and add an equal number of cups of boiling water. Stir and serve. There will be shouts for seconds. Quick as a wink... you can serve flavorful coffee... piping hot and fresh... with no fuss or bother. You, too, can enjoy these coffee hours as a relaxed hostess.
You will want to serve cookies with the coffee sometimes and what is better to serve with coffee than home baked cookies. Here is a new kitchen tested recipe for an old favorite. The cookies have a true coffee flavor when instant coffee is used as a flavor ingredient.
Coffee Rum Cookies
2 cups sifted flour 1/2 cup shortening
2 tablespoons Nescafe 1/2 cup butter or margarine
1/2 teaspoon baking powder 1/2 cup brown sugar
1/2 teaspoon baking soda 1/2 cup granulated sugar
1/2 teaspoon salt 1 egg, well beaten
1 teaspoon imitation rum extract
Mix and sift flour, instant coffee, baking powder, baking soda and salt. Cream shortening and butter or margarine; add sugars gradually, while creaming; beat until light; add egg and rum extract. Add sifted dry ingredients; blend thoroughly. Wrap in waxed paper or aluminum foil. Chill several hours. Roll out a small amount of dough at a time about 1/8 inch thick, on lightly floured board. Cut with a 2" cookie cutter. Decorate with nutmeats, if desired. Bake on ungreased cookie sheet in hot oven, 400°F., 8-10 minutes. Yield: about 3 dozen cookies.
You can make refrigerator cookies with the same recipe. Form the dough into a roll, wrap in wax paper or aluminum foil and chill overnight. Then slice thin and bake, as wanted.
