Mustangs Win, Lose in Two Conference Tilts

Heppner high school's Mustangs, a new member of the Cayuse conference this year, downed Pilot Rock Friday 70-48, then fell before the highly touted Echo Cougars 67-33 Saturday in conference games.

The game at Pilot Rock, the Mustangs gained a 16-10 lead at the end of the first quarter and held a 30-22 lead at halftime. The Mustang offense finally got rolling in the third quarter as they made 22 points to the Rocket's 8. The reserves carried on the game during most of the final period.

Four Mustang players placed well up in the scoring column led by Jack Sumner with 15. Dick Kononen, 12, Jerry Haguewood, 11 and Bill Hughes 10. Standouts for Pilot Rock were Wilsey with 14 and Snively with 10.

The Mustang B squad also won their game 44-22 with Pete Andersen leading all scorers with 10 points.

Saturday night the Mustangs traveled to Echo and came out on the small end of a 67-33 score. The Heppner downfall came in the first and third quarters, being badly outscored in these periods. The rest of the time they held their own. The boys expressed the belief that their trouble came from the fact that they could not adjust themselves to the size of the Echo gym.

Series E. Defense bond sales during November dipped 9 per cent below the corresponding period of a year ago, according to Jeff Carter, county defense bond chairman.

Total E bond sales throughout the state amounted to \$1,668,564. County sales were \$9,075. State-wide purchases in all series defense bonds were just under two million dollars.

Carter stated that defense bond sales must increase considerably both in Oregon and throughout the nation if the Treasury department's job of refinancing the national debt is to be made easier. "Tentative goals for 1953 call for defense bond sales of over \$5 1/2 billion, considerably above this year's sales," he said.

"Enlarging payroll savings participation by 1 1/2 million workers, intensifying promotional sales efforts among farmers and professional people, and encouraging limit investments by all types of investors except commercial banks will be emphasized during the continuous sales campaign."
