IT'S NO JOKE!

Every year, tree roots clog thousands of house sewer lines. Refuse backs up into the home and pipes have to be cleaned out ... even dug up and replaced.

To protect home-owners from this trouble, we install Transite House Connection Pipe—the white pipe that's engineered by Johns-Manville to prevent root clogging. Each joint is securely encased in durable asbestos-cement Transite to keep roots out!

We're specialists in house sewer line work. If you're planning on a new house sewer, let us tell you how Transite House Connection Pipe can help you avoid future headaches and expense. Phone us for an estimate today.

Willys presents

Two Beautiful Aero-Ace Models of the

1953 Aero Willys

Aero-Ace 4-Door

Custom-styled in every detail ... luxurious Color-Symphony interiors ... panoramic one-piece windshield ... the thrilling performance and record gas mileage of the high-compression Hurricane 6 Engine, power plant of the Aero-Ace 4-Door and 2-Door.

1953 Prices Sensationally Lower!

Willys reverses the upward trend of car prices—bringing you America's most completely new cars at prices drastically lower than last year! We invite you to see the two newest models—the Aero-Ace 4-Door and 2-Door Sedans—combining the luxury of an airliner with the stamina of the 'Jeep' plus the economy of operation that has made Willys world-famous.

Aero-Ace 2-Door

The same beautiful streamlined design as the Aero-Ace 4-Door ... smart new colors and custom-styled interiors. One-piece windshield and wrap-around rear windows give panoramic visibility in all directions.

EVERY SUNDAY, Willys brings you the N. Y. Philharmonic, CBS-Radio ... and "Omnibus", CBS-Television.
