You won't miss important calls when you answer promptly. When you have only two cards left to play in an exciting grand slam hand—or in any situation where you'd like to say "Wait a minute!"—it's always a temptation not to answer the telephone immediately. The person calling, though, doesn't know what you're doing, and may hang up, thinking you are not at home. That way, you may miss important calls. So, next time your phone rings, won't you try to answer as quickly as you can?

this free booklet
for listing long-distance and frequently-called local telephone numbers is yours for the asking. Just telephone, send a postcard or call at your nearest Pacific Telephone business office.

ANSWER the CALL!

Red Cross calling . . . to you . . . NOW! Calling for your help . . . to bring medical aid to the injured and ill . . . shelter to the homeless . . . rescue to the stranded . . . hope to the despairing. Your dollars are needed NOW for great humanitarian work that lies ahead in 1953. Please answer the call . . . from your heart!

The American National Red Cross is your helping hand . . . extended with warmth and compassion to all humanity. It is you at the scene of disaster. It is you by the side of the wounded and crippled and hurt. It is you cheering the shut-in . . . feeding the hungry . . . relieving the stricken . . . encouraging the frightened. It is you comforting, sustaining, restoring.

The Red Cross is you . . . because your support makes it possible for the Red Cross to go where needed and do what's needed to help suffering men, women and children. The dollars that you give to the Red Cross now will be you "in action" on all the far-flung fronts along which the Red Cross will fight disaster and despair in 1953.
