## GLENN SAYS

" THIS NEW MODEL 40 JOHN DEERE TRACTOR IS THE BEST TRACTOR I'VE OWNED OR SEEN "

Glenn Seeley and his new Model 40 John Deere tractor, purchased in February of this year.

Glenn farms 80 acres near Hermiston. This farm is under intensive cultivation. Last year, he harvested over 125 bushels of corn per acre. He also raises hogs and does a fine job of it. This farm is completely equipped with all John Deere farm machinery.

This new John Deere Model 40 series is a general-purpose tractor, built to furnish 2-plow power on farms up to 100 acres, and helper power on larger farms. Here, in one model, you will see ALL the modern features you have been wanting in a light tractor, all the high-quality money-saving features of John Deere 2-cylinder design, plus an advanced type 3-point hitch, and new load and depth control system.

15% more power. Precision Touch-o-matic hydraulic system. Outstanding new line of 3-point hitch quick-tach working tools.

Remember, your present line of implements will fit directly on the new Model 40 John Deere Tractor.
