May 9—Study meeting of the Topic club.
May 10—Special Mother's Day program at the Community church. A special invitation is extended to couples who have been married over 50 years.

CHALLENGE TO THE INDUSTRY

-the new GMC 400-27 that outpowers and outclasses its field

GMC's new 18,000 GVW hauler not only dwarfs trucks of 16,000 and 17,000 GVW, but overshadows—and underprices—those rated at 19,000. In fact, the GMC 400-27 is designed to outhaul any truck up to 19,500 GVW. Its new engine of progressive design is stripped of excess weight, yet built stronger to absorb the stress of really high compression. It gives you brisker

response, more power and mileage from regular gas.

It includes, as standard equipment, many features that are optional at extra cost on other trucks.

As a tractor—or as a truck—it can increase your hauling ability, give you impressively better equipment—and save you both purchase and operating money to boot.

130 GROSS HORSEPOWER—on money-saving single carburetion. Valve-in-head engine, 270 cubic inch displacement, 7.5 to 1 compression ratio.

2-SPEED ELECTRIC SHIFT REAR AXLE—15,000 pounds capacity, is coupled with 4-speed Synchro-Mesh transmission, putting 8 forward speeds at the driver's command. (Single-speed axle available at a saving; 5-speed transmission optional at extra cost.)

30,000 GCW—137" or 149" wheelbase in tractors; 161", 179" or 197" wheelbase in trucks (9- and 12-foot platform or stake bodies optional).

ALSO STANDARD EQUIPMENT: 4,500 pound capacity front axle—Hydrovac-actuated brakes—Moraine M-400 main and connecting rod bearings—Tocco-hardened crankshaft.

Your key to greater hauling profits

DOLLAR FOR DOLLAR YOU CAN'T BEAT A

Pontiac

A GENERAL MOTORS MASTERPIECE

A Very Proud Car—At A Very Modest Price!

According to Webster, one of the important meanings of the word proud is this: "Worthy of admiration; deserving praise."

That definition fits the 1953 Pontiac like a glove. Pontiac's distinctive Silver-Streak beauty is certainly worthy of admiration—and gets plenty of it everywhere. And when you sit behind the wheel and feel the effortless surge from Pontiac's famous power plant you'll know that you're driving a mighty proud performer.

As a matter of fact, the only modest thing about a Pontiac is its price—for this wonderful car which gives you the engineering quality and the best features of the costliest cars is priced just above the very lowest!

And when you're figuring price, be sure to remember Pontiac's remarkable resale value—the sure test of long-lasting quality. Why not come in and see how easily you, too, can become the proud owner of a new Pontiac?

HIGHLIGHTS OF PONTIAC QUALITY AND VALUE!

- Long 122-inch Wheelbase
- Exclusive Dual-Range Power Train* for Superb Performance
- Beautiful, Roomy, Luxurious Bodies by Fisher
- General Motors Lowest Priced Eight Powerful High-Compression Engine
- Established Economy, Long Life and High Resale Value
- Exceptional Steering and Parking Ease

*Optional at extra cost.
