Mustang Nine Finishes Baseball Season With Win

By Kenneth Easter

Heppner's Mustang baseball team had to come from behind and then go into extra innings Wednesday to come out on top by a 9-8 score over the visiting Condon Blue Devils. Starting pitcher for Heppner was Dick Kononen, who was releaved in the fifth by Bill Hughes.

This was the first time Heppner batters had ever faced a left handed pitcher, and the Condon hurler, Lucky Schumate struck out seven of the first nine men to face him. The Mustangs settled down in the latter part of the game however, when they got used to his style.

Sparking defensively for Heppner was Skip Ruhl, who made two fine stops of line drives.

Condon came through with one run in the top of the first on two errors. Heppner came back to tie it up in the bottom of the second with two hits and two stolen bases. Condon then scored once in the third and again in the fourth, then two in the fifth while holding the Mustangs scoreless to gain a 5-1 lead. Heppner came back strong in the bottom of the fifth however, scoring three runs on three walks, three errors and one base hit. They proceeded to score one more in the sixth to tie the game up.

Local fans saw a lot of action in the last two innings as Condon again gained the lead with two runs, only to see Heppner score two more in their half of the seventh to send the game into extra innings. Condon added two more in the top of the eighth, but Heppner came back with three to win the game 9-8 in eight innings. This wound up the season for Heppner with a record of two wins and two losses, dropping two to Stanfield and defeating Irrigon and Condon.

Mustang Entries Place in State B Track Meet

By Kenneth Easter

The Heppner high school cindermen came out with 10th place last weekend in the annual state B trackmeet at Corvallis, with three of the four Heppner boys who participated placing in the top six. 32 schools were entered in the meet.

High scorer for Heppner was Wendell Connor who had 12 points on the basis of a first place in the low hurdles and a fifth in the broad jump. Bud Harshman had 4 points, taking fourth in the mile, and Jim Green added another point by taking sixth in the high hurdles. Pole vaulter, Bill Hughes, did not place among the top six in his event.

New Heppner high school records were set by each of the boys placing in the meet. Connor set new records in both the broad jump and the low hurdles, jumping 19'11¾" and running the lows in 21.7. Harshman again broke his own record in the mile, running it in good time of 4:42. Green ran the high hurdles in 16.9, also breaking his own record.

The Corvallis event concluded the season's track activities.

Ronald Currin New Student Body Head

Heppner high school students last Friday elected Ronald Currin, a senior next year as new student body president for 1953-54.

Other officers chosen at the election were Terry Thompson, vice-president; Loree Stager, secretary; Nancy Eberhart, treasurer and Dick Kononen, sergeant at arms.

The new officers will take over at the start of the new school year.

W. H. Zinter Services Held in Spokane

Funeral services for William H. Zinter, 74, Ione, were held at Spokane, Monday, May 11. He died at his home May 8.

Mr. Zinter was a steam and electrical engineer and had spent his early life in the Spokane area. He came to Oregon in 1939 and took over the former Devin ranch. He had suffered two heart attacks in recent years, the last being in 1948, from which he never recovered.

DEADLINE NEAR FOR FARM YOUTH EXCHANGE PROGRAM APPLICATIONS

An expense-paid trip to a southern hemisphere nation for six months next fall is in store for some young man from Oregon. The chance is yours if you are between the ages of 20 and 30 and meet certain qualifications, according to N. C. Anderson, Morrow county extension agent.

The state International Farm Youth Exchange is looking for a "grass roots" ambassador to go abroad in the interest of world understanding. Among other qualifications he must be a high school graduate, have a farm background, be anxious to understand how rural people live in other countries, and be willing to study a foreign language, if necessary.

Application blanks are available at the county extension office and must be filled out and returned as soon as possible. The final selection will be made at the state 4-H office, Oregon State College, May 23, it has been announced by Cal Monroe, state 4-H agent.

The Oregon delegation will have about 15 southern countries to choose from for the trip beginning in October. They include Brazil, Chile, Colombia, Equador, Australia, New Zealand, Morocco, Iraq, Iran, Syria, and others.

Five Oregon youths have visited foreign countries during the past two years and three are scheduled to leave for Europe in June. Northern hemisphere countries are visited during the summer program, and southern hemisphere nations during the winter.

The IFYE program also brings young farm people from abroad to live with rural families in this country. Oregon has played host to six foreign youths since joining the exchange in 1951, and ten visitors will arrive this summer to live with Oregon families.

While in host countries, the IFYE exchangees will live and work as a member of farm families and receive a small allowance for personal expenses. All other expenses will be paid by IFYE which is financed by funds from the National 4-H Club Foundation and by voluntary local contributions.

C of C Hears Request For Flag Display

Chamber of Commerce members Monday heard requests from Legion members, and from some of their own, for greater display of flags on special holidays such as the coming Memorial day.

It was pointed out that during the past few years most merchants and residents had nearly abandoned the custom of placing flags in front of stores on such occasions, and urged that the practice be resumed.

It was also suggested that permanent wires be strung across downtown streets so that flags or other decorations could be easily strung when desided. It was pointed out that they could be used on many occasions during the year.

Timber Firms Offer Student Scholarships

The local school board announced this week that it had accepted the offers of the Heppner Lumber Company and the North Fork Timber Company to give two two year scholarships to graduating students of Heppner high school. One is to go to a boy and one to a girl. The scholarships are in the amount of $250 each year.

Financial need, a desire for further education, scholastic ability and citizenship are the main points upon which the awards will be given. A special committee will pick the winners of the awards from this year's senior class.
