We'd like to spoil you a bit.

We'd like to seat you in a 1953 Buick ROADMASTER and let you be coddled in the most sumptuous comfort on four wheels.

What we have in mind is more than just a sampling of the spacious roominess here — and of the cushions that cradle you in opulent and enveloping softness.

It's the magnificent luxury of ROADMASTER travel that we'd like you to know...

The soul-satisfying feel of bossing almost limitless power from the world's newest and most advanced V8 engine...

The casual ease with which you command sparkling getaway from Twin-Turbine Dynaflo — and the sheer comfort of its new quiet and infinite smoothness...

The matchless gentleness and levelness of ride from all-coil springing, torque-tube steadiness, liquid-smooth power delivery — making you barely aware of motion, of road irregularities, of stopping and starting...

And the consummate ease-of-handling you enjoy from the most maneuverable ROADMASTER in Buick history. A car with the hydraulic help of POWERSTEERING. A car with the velvety control of

still finer braking—plus the added convenience of Power Brakes,* if you wish.

Surely, you ought to look into this supremely satisfying ROADMASTER for 1953—and see for yourself that the lap of luxury is more than a figure of speech when you take your seat here. Why not visit us soon?

*Optional at extra cost.
