## Harvest Begins In Ione Section, Becoming General

By Echo Pafnateer

Harvesting is getting pretty well started here this week. Merle Baker of the Archer-Daniels-Midland Co. reports that Charles Doherty brought in the first wheat Saturday. Others hauling are John Proudfoot, James Lindsay and Jody Morrison. The Orford wheat on the Proudfoot ranch tested 63. Van Hubbard has been hauling to the Morrow County Grain Growers elevator and Herbert Ekstrom brought some to the elevator at McNab. The wheat in the Gooseberry country will not be ready for another week. Fredrick Martin and Roy Lindstrom are hauling to the Griffith warehouse at Morgan.

Those from here who spent the weekend at Lehman Springs were, Mr. and Mrs. L. L. Howton, and family, Mr. and Mrs. Garland Swanson and family, Mr. and Mrs. Lewis Halvorsen and family, Mr. and Mrs. Leo Crabtree and family, Donald Eubanks, Dan Wynia and DeRoy Brenner.

Mr. and Mrs. Frank Hannan of Walla Walla spent the weekend with Mr. and Mrs. Donald Heliker. They spent Sunday at the Ernest Heliker home in the mountains. The Ernest Helikers spent the weekend there.

Dan Wynia of Medical Lake, Wash., is spending the summer with his cousins, Mr. and Mrs. John Eubanks.

Mr. and Mrs. Henry Buschke and sons, Michael and Edward, of Los Angeles arrived at the home of his parents, Mr. and Mrs. Ed Buschke, at Morgan, where they will help in harvest. Mr. Buschke is on the police force in Los Angeles and has a months vacation.

Mr. and Mrs. Oscar Ruggles of Grass Valley arrived at the home of their daughter, Tuesday of last week, from Rochester, Minn.

where he underwent an operation at the Mayo Brothers Clinic. They made the trip by plane. Mr. and Mrs. McKinney took them to their home Wednesday.

# Power Steering!

WHO NEEDS  
MUSCLES?"

Master-Guide applies hydraulic steering power automatically . . . and in varying degrees as required . . . right at the steering linkage, close to the wheels. At the same time the system serves as a hydraulic shock absorber to keep road jars and jolts from your hands. As a result all you do is . . . guide the car . . . Master-Guide supplies the muscles.

**It's the newest in a long list of Ford advancements that make this Ford the outstanding car for '53!**

No other car near Ford's price has ever offered you so much!

Ford was the first in its field to bring you V-8 power. Today, Ford alone of all the low-priced cars offers you the smooth, unsurpassed performance of a V-8 engine. And Ford's Six—the most modern in the industry—with Overdrive, won the Grand Sweepstakes in this year's Mobilgas Economy Run.

Ford first brought to the low-price field a completely automatic transmission that combines the smoothness of a torque converter and the gas-saving "go" of automatic gears. Fordomatic remains the most versatile automatic you can buy.

Ford's new "ride" brings you road-hugging and bump-leveling qualities never before known in low-priced cars. Front end road shock alone has been reduced up to 80%.

Easier-acting suspended pedals, Center-Fill Fueling and Full-Circle Visibility are just a few of the many important advancements first introduced by Ford.

And now Ford brings you the newest and finest in power steering . . . Master-Guide, a system exclusive in Ford's field! It's no wonder, then, that Ford is the "Worth More" car . . . worth more when you buy it . . . worth more when you sell it.

**HELPS YOU OUT OF "TIGHT SPOTS!"** The tougher the going the more Master-Guide works for you. For example, if you go off the pavement onto a soft shoulder or a rough, rutted road, Master-Guide provides the muscles to keep you on a steady course. At the same time, Master-Guide absorbs the shock that might otherwise be transmitted to the steering wheel. You'll find all handling is easier with Master-Guide and that parking requires only one-fourth the normal effort. Should Master-Guide ever lose its power, the standard steering mechanism will operate just as usual. Thus, Master-Guide provides new ease and stability, with a natural feel and full security, wherever you may drive.

Optional on all V-8 models at extra cost.

Test Drive **Ford** with Master-Guide Power Steering!
