

### Cattle Volume Up at Hermiston

HERMISTON—Ray Wright of Heppner topped the fat heifer market at the Hermiston Livestock Auction Friday, with an animal weighing 820 lbs. going for \$17.80 cwt., Delbert Anson, manager of the sale, reports.

Others topping the market include H. L. Payne, Hermiston, 2 fat hogs weighing 390 lbs., \$27.90 cwt.; C. M. Crowder, Boardman, sow and pigs, \$82.50; D. Robinson, Spray, 4 feeder pigs weighing 300 lbs., \$27.75 cwt.; C. A. Burgin, Pendleton, 12 sheep weighing 1225 lbs., \$6.00; Pat Cassidy, Pilot Rock, 205 lb. veal, \$22.70.

A larger volume of cattle than consigned the previous week found ready buyers at the Hermiston livestock auction Friday, Delbert Anson, manager of the sale, reports, with 406 cattle consigned compared with 356 July 17.

Trading was very active with demand broad for all types of livestock and broad support from packer and feeder buyers, including potato feeders from Yakima valley area and packers from the Portland area in strong numbers. Prices on all cattle were mostly 50 cents to one dollar higher.

Ewes bound for slaughter among the 53 sheep consigned set a new high of \$6.00 cwt. A few feeder lambs were consigned. Last week's sheep sale brought 212 consignments, with sheep buyers due in large numbers alternate weeks and another big sheep sale due this coming Friday.

Hogs, about 50 cents higher, numbered 80, the same as the previous week.

Feeder steers were steady, with the hot weather causing steers to consume considerable water on market day, boosting weight and head price but discouraging buyers from going above the previous week's pound price. Sixty feeder steers consigned by Harold Neil of Echo brought a top price of 15-16¢ per pound.

Auctioning of the D. V. Glenn herd, including 27 registered polled herefords, saw a top pair of cows and registered calf draw 4.35 cwt. A 4-year-old bull brought a remarkable \$620, with heavy bull high at \$15.50 cwt.

Highest quality in the grass cattle sale Friday was good, a few heifers reaching that grade with no choice cattle available.

Calves—Baby calves 9.00-18.00 hd.; weaner calves 15.50-16.75 cwt.; veal 21.50-22.70; medium veal 19.50-21.00.

Steers—Stocker steers 13.50-14.50 cwt.; feeder steers 14.50-16.00; fat slaughter steers 17.50-19.35; fat heifers 15.50-17.80.

### Heppner Ball Team Finally Gets a Win

The Heppner American Legion Junior baseball team finally got their first win of the season Sunday by defeating the John Day team 8 to 6 in the first game of a doubleheader played on the Rodeo grounds field. John Day came back to take the second game 10 to 1.

With what may turn out to be their best game of the year and their only win, the Heppner squad bunched solid hits with a few John Day errors to push across enough runs to stay out in front all the way.

To give the large crowd that turned out to watch the boys a thrill, they showed their classiest form by reeling out a beautiful double play to end the game.

With a John Day player camped on third base and only one out, the Heppner infield was up to cut off the run if they could. The second pitch cracked off the bat and hopped with a smack into the Heppner pitcher's glove. The toss to first base was right on the bag and the runner racing to the plate was cut down by the throw home.

The second game was a whirlwind of John Day runs and Heppner errors. Although their hitting improved if anything, nothing seemed to go right for Heppner and they couldn't get more than one run, while John Day found themselves watching numerous boots by the local boys and scoring merrily.

Officially the season is now at an end for the league and for post-season games. However, efforts are being made to develop a game between the oldsters of the town and the now retired 1953 Junior Legion team on August 23, or thereabouts. Perhaps the boys will find themselves with another win under their belt—and then again perhaps they won't.

Cows—Dairy cows 110.00-147.50 hd.; dairy heifers 45.00-62.50 hd.; stock cows 10.00-11.75 cwt.

Slaughter cows—Commercial 13.50-14.75 cwt.; utility 12.50-13.50; canners-cutter 10.50-12.00; shells 5.00-9.00.

Bulls—Heavy bulls 15.50 cwt.; light bulls 13.00-14.50

Hogs—Weaner pigs 8.00-12.00 hd.; feeder pigs 26.75-27.90 cwt.; fat hogs 26.90-27.90 cwt.; sows 19.75-22.60.

Sheep—Feeder lambs 14.50-16.75 cwt.; ewes 4.50-6.00; bucks 3.50-5.25.

### Heppner Scouts

(Continued From Page 1) through Los Angeles.

"On our way home we went through Salt Lake City and saw the Temple, the Tabernacle and the copper mines near Salt Lake. We also swam in the Salt Lake. From there we went to Boise, Idaho and saw the capitol, which on the inside is made of marble, and we toured the city.

"Then we headed for home. We enjoyed our trip immensely and we traveled 2,800 miles by train and 200 miles by bus."

Capt. and Mrs. Gordon Coles of Santa Ana, California, former Heppner residents, were visitors here Wednesday. Coles is with the Marine Corps and has recently returned from Korea. While here they were dinner guests of Mr. and Mrs. Robert Penland.

Lennie Loudon had as her guests last weekend her brother Scott Brown and Mr. Knutson both of Portland.

Mr. and Mrs. Robert Grabill and Bobby and Mr. and Mrs. Mervin Leonard of Lexington spent last weekend in Joseph and attended the Chief Joseph Days celebration.

Mr. and Mrs. P. W. Mahoney, Shannon and Bob returned Wednesday evening from a ten days vacation trip into Canada.

### Ragweed Bulletin Released by OSC

Probably Ragweed is more widespread in Oregon than has been recognized, according to a bulletin released by the Oregon State college extension service.

Plant description and methods of control are given in the bulletin. Authors are Rex Warren, OSC extension farm crops specialist, and W. R. Furtick, farm crops research assistant.

Copies may be obtained from county extension offices and by writing to the bulletin clerk, Oregon State college.

Mrs. L. A. Humphreys of Portland arrived Friday evening for a visit at the home of her daughter and son-in-law, Mr. and Mrs. M. R. Wightman.

Mr. and Mrs. Gustaf Nikander and son Edward went to Pendleton Sunday where they were joined by Mrs. M. D. Case and they drove to Emigrant Springs for a picnic. Later in the day they returned to Heppner accompanied by Jack Hynd. Mr. Hynd and Mrs. Case will spend a few days in Heppner before returning to their home in Pendleton.

Mrs. Edward Schaffitz and Diane returned home Friday after a few days in Portland visiting her mother Mrs. Mary Carter.

Neal Penland, son of Mr. and Mrs. Robert Penland, has returned home after a two weeks visit with his grandparents Mr. and Mrs. Leroy Neal of Coos Bay.

The Nels Andersons and the Eugene Petersons attended a picnic at Pioneer Park in Wheeler county last Sunday.

OLYMPIA BREWING COMPANY, OLYMPIA, WASHINGTON, U. S. A.

# Why FORD'S your best buy!

"WORTH MORE" IS THE ANSWER... IT COSTS SO LITTLE TO BUY... SO LITTLE TO RUN... AND HAS SUCH HIGH RESALE VALUE!

The best buy in an automobile usually means the amount of pleasure and satisfaction the owner gets from his original investment, plus low day-to-day running costs, plus the amount of value he recovers when he sells his car.

What is it that makes Ford your best buy? Is it the fine styling and craftsmanship of its Crestmark Body... or its new "ride" with curve-lugging and bump-leveling qualities never before known in low-priced cars? Or is it Ford's famous V-8 or

Mileage Maker Six? Maybe it's the easy way the car handles with Fordomatic Drive, or Ford's Master-Guide power steering! Perhaps it's Ford's suspended pedals, or Center-Fill Fueling or Full-Circle Visibility!

Actually, it's not just any one or two of these fine things that make Ford your best buy. It's all of Ford's "Worth More" features combined... features which make Ford worth more when you buy it... and worth more when you sell it!

"Best buy" where you ride! Ford's foam-rubber cushioned seats, front and rear, are sofa-wide and sofa-soft. Interior fabrics, color-keyed to Ford's smart outside colors, would be a credit to any car at any price.

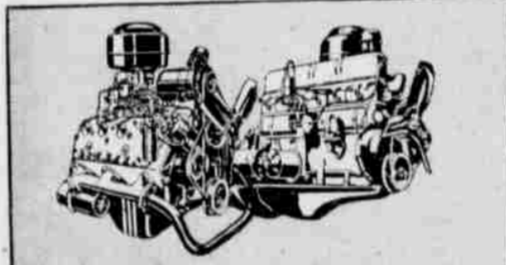

"Best buy" where you drive! Ford's suspended pedals operate more easily... eliminate dusty, drafty floor holes. And Ford drivers have a choice of Fordomatic Drive, Overdrive or Conventional transmission.

"Best buy" at the gas pumps! When you need to "fill 'er up", you do it the modern Ford way with Center-Fill Fueling. And Ford's Automatic Power Pilot gives you power to spare on a lean diet of regular gas.

"Best buy" on the road! The rougher the road the better your Ford likes it because Ford's new "ride" cuts front end road shock alone up to 40%... halves you over the bumps... and cuts sideways on turns.

"Best buy" in engine power! Only Ford in its field offers you a choice of V-8 or Six. Ford has built more V-8's—over 13,000,000—than all other makers combined. And Ford's Six—the most modern in the industry—with Overdrive, won the Mobilgas Economy Run Grand Sweepstakes!

"Best buy" in power steering! Ford's Master-Guide (available on all V-8 models) supplies hydraulic "muscles"—automatically whenever you need them—to do the work of steering for you. All you do is guide the car. Makes all driving easier, and safer. And parking's so easy!

WORTH MORE WHEN YOU BUY IT... WORTH MORE WHEN YOU SELL IT
