## Registration In Lone Schools Shows Increase

By Echo Palmateer

School started here Sept. 7 and found many students and parents ready for the formal opening. In the 1st and 2nd grades there were 4 more registered than the previous year and two more in the high school. By the time registration is completed, which will be another week, the enrollment will be somewhat larger than last year.

With the general assembly of all the High school, the registration by classes, and the obtaining and running through schedules the morning was well occupied. Things ran very smoothly and all are anticipating a very successful year. Superintendent Ward met with the bus drivers at noon and discussed their responsibility and their relations toward the school in general.

The cafeteria opened for hot lunches Sept. 8 with a record attendance. A notice to all parents, students and bus drivers that there will be no school Sept. 14 and 15 on account of the Teacher's Institute in La Grande.

A teachers reception will be given in the new cafeteria Sept. 18 at 8 p. m. All in the community are invited. It is sponsored by the P.T.A. The social committee of the P.T.A met in the superintendent's office Sept. 9.

A special meeting of the school board was held Sept. 3 to adopt all policies for the year. Following this meeting at 8 p. m. was a community meeting to discuss policies and regulations of the year in the way all people understand problems of the school and the manner in which to handle them.

The faculty of the school met in a session Sept. 4 to talk about the general organization, policies and registration. They and the members of the board were entertained at a luncheon in the new cafeteria by the wives of the board members. This was a fine gesture and a very fine tone for the opening of school.

Miss Ruby Ann Rietmann returned Monday from a two weeks trip. She was accompanied by Miss Lois Hawk of Troutdale. They went to San Francisco and then to Camp Roberts to visit Billy Joe Rietmann who is stationed in the army there.
