### ARTHITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with excruciating pain from head to toe. I had Rheumatoid Arthritis and other forms of Rheumatism. My hands were deformed and my ankles stiff. Limited space prohibits telling more here but if you will write me I will reply at once and you will know how I received this wonderful relief.

Ione turned out well at the high school football game at Moro Friday of last week. The cheering section is to be complimented on the fine way they cheered for the team. Also the quently looking cheer leaders, they are Sue Coleman, Jean Ann Swanson and Judy Howton. Turning to the football field it is doubtful that one would see a better game played than this one. The Ione boys certainly did themselves proud and won 12 to 0.

This does not take away any credit from Moro, who played a very aggressive and clean game and showed sportsmanship that was very hard to beat. Our next

game will be with Umatilla here.

Starting the 5th week of school all teachers are well under way with their major projects. James Mallon, grade school principal, met with his teachers and outlined a testing program in the grades. David Raskin, high school principal, is working hard on a uniform program for the entire schedule. Special mention is made of the opportunity program with Mrs. Mabel Farris in charge.
