TOP PRICE for it!

Your car is depreciating in value as it gets older... we can give you the best price for it NOW! Here's why: As you know, our Fords—new and old—are selling faster than ever! Naturally we want to keep this rapid turnover going—but we need more used cars to do it! That's where the high price comes in—for you!

FORD Worth more
when you buy it...
Worth more
when you sell it!

Ford brings you everything (and we mean everything) you've ever wanted in a car, at a price, that's well within your reach!

You have your choice of Ford's famous high-compression V-8 or the Mileage Maker Six—with Overdrive, this year's Economy Sweepstakes winner. Both have Ford's Automatic Power Pilot which meters just the right amount of gas. And only Ford brings you Center-Fill Fueling that permits "filling up" from either side of the car, suspended pedals that eliminate floor holes, foam-rubber cushions front and rear in all models, and a new "Wonder Ride" which reduces road shock in the front end alone up to 80%!

According to used car surveys, a year-old Ford returns more of its original cost than any other car.
