

Ione Smothers Echo 52-0; Eyes District Title

Meet Stanfield Friday Afternoon In Deciding Game

Ione's high school's Cardinals continued to roll on as Morrow county's top football team, by smothering the Echo eleven last Friday on the Ione field 52 to 0. As the lopsided score indicates, the game was Ione's all the way, and the win put the Cardinals in good position to win the district championship.

Duane Baker had a field day against the Echo squad, personally accounting for 3 touchdowns and 4 conversions for a point total for the day of 22. Rich Rea also chalked up two TDs for

Ione and Jerry Bristow, Herb Peterson and Sam Barnett each added another six points to the final score.

Ione had practically complete control of the ball, both on the ground and through the air, as they completed 19 out of 17 passes and ran up a total of 10 first downs while the Echo squad could only get 2.

Ione still has two teams yet to face, Stanfield and McEwan of Athena, but a win over Stanfield alone will practically assure the Cardinals of the district championship as they have only had 13 points scored against them so far during the season.

Should they go on to win the title they will probably play Union for the state B quarter-finals on the Ione field, Saturday, Nov. 14, William B. Pendleton,

Cardinal coach indicated Wednesday.

Both the Stanfield and the Athena games will be played on the Ione field.

Grant Union Falls to Mustangs 20 to 6; to Face Moro Here Friday

Heppner high school's Mustangs got their revenge last Friday against the Grant Union Prospectors who last year whipped the local boys 19 to 6. This year they practically turned the score around to win over the John Day squad 20 to 6 in one of the best games played this year on the local field.

The first score was made by Ruhl in the second period on a ground play from 18 yards out after a sustained drive from mid-field. During that quarter there were several long gains set up by excellent down-field blocking. The third period saw many long passes, mostly from Jerry Hague-

wood to Jim Green and Jim Hayes. The touchdown was picked up on a 15 yard pass from Haguewood to Hayes in the end-zone. In the same quarter Jim Green took a short pass and galloped 75 yards to pay dirt to account for the final Heppner scoring push.

Grant Union picked up their only touchdown in the same quarter on a sustained drive of 80 yards in 9 plays. The defensive game tightened up in the last period with neither team being able to score.

Heppner will meet Moro Friday on the Rodeo field, the game being the final one for the season on the home field and it will also be the annual homecoming game. A good turnout is expected to watch what coach Steve Trukositz expects to be a rough and tumble affair.
