He was Irving C. Story, professor of Eng. accompanied by E B. Schultz, of Spokane.

Students in this group were Mr. and Mrs. Gene Hanson of above the national average as McMinnville were guests of Mr. shown by the English achieve- and Mrs. Paul Brown Thursday.

Was talking with our newly elected Sheriff Williams the other day. He told me about a fellow who stopped by his place late one night just before election.

"Heard a knock at the door," he said. "Fellow I never saw before. Told me his car went dead down the road and would I give him a shove. My boy, Flip, and 1 went out to his car with him. We're all set to push when he steps on the starter and the motor turns over.

"Well, Flip and I just stood there when the fellow leans out the window and says, 'Just wanted to make sure you're the right man to vote for'."

From where I sit, the fellow who's quick to lend a hand makes any community a better one. But you don't have to run for office to prove you're a good neighbor. One way I know is just to have a little regard for the other fellow. Whether your neighbor likes beer or buttermilk, don't try to push him to your choice. Just give him your "vote of confidence."
