Added Power, Performance Mark Chevrolet

The two-toned four-door sedan in the "210" Series typifies the new beauty and smartness of the Chevrolet line for 1954. The "210" Series is one of three offered by the company in an array of 13 body models. Added power and chassis improvements, extension of the Powerglide automatic transmission option to all cars and luxurious new interiors in striking color harmonies are a few of the principal features.
