Jan. 16—Grange meeting at 8 p. m.

Buick Offers Complete New Line for '54

An outstanding beauty among the completely new line of cars which Buick offers for 1954 is the two-door Super Riviera pictured above. With a rakish sports car styling modelled after Buick's famed Skylark, the Riviera features a new panoramic windshield, a cut-down door belt line, full rear-wheel cut-out and a refined sweeppear molding. It has a completely new front end, all new styling, new instrument panel, new rear fender and deck lid treatment, and new interiors. It is mounted on a 127-inch wheelbase and is powered by a 182-horsepower V-8 engine when equipped with Twin-Turbine Dynaflo. Wire wheels are offered as optional equipment.

40 Years Ahead with Overhead Valve Engines

NEW 1954 CHEVROLET

It stands to reason that you'll get the finest Valve-in-Head engine in the low-price field from the world's largest builder with 40 years of experience in developing and improving this type of engine. And now for '54... New power! New economy of operation! Smoother, quieter, finer performance!

For 1954, Chevrolet brings you your choice of two great high-compression Valve-in-Head engines. One, the advanced "Blue-Flame 125" engine, delivering 125-h.p. and teamed with the highly perfected Powerglide Automatic Transmission, now available on all models at extra cost. And the other, the advanced "Blue-Flame 115" engine, delivering 115-h.p. and teamed with the highly improved Synchro-Mesh Transmission, providing smooth, quiet gear engagement. Both of these engines bring you sensational new power and performance as well as new and improved gasoline economy. Come in; see and drive this smarter, livelier, thrifter Chevrolet and place your order now!
