Kincaid-Stockard Wedding Vows Read In Pendleton Sunday

By Echo Palmateer
Miss Patricia Joanne Stockard, Pendleton, daughter of Mr. and Mrs. Victor Stockard of Stanfield and Ralph Kincaid, son of Mrs. Ruby Nichols of Ione, were married at the Presbyterian church in Pendleton Sunday, January 10 at a two o'clock candle light ceremony with Rev. Earle Cochran officiating at the single ring ceremony.

The bride, given in marriage by her father, wore a white hammered satin dress with a sweetheart neckline, long sleeves and a full length train. Her finger tip veil was held in place by a tiara of seed pearls. She carried a white orchid on a white Bible. For something old she carried a handkerchief and for something borrowed, her veil, which had been worn by Mrs. Roger Kincaid.

Mrs. Roger Kincaid was matron of honor and wore a light blue satin dress with net over skirt and carried a nosegay of pink carnations. Miss Margaret Gossler and Mrs. Dick Shepherd were bridesmaids and they wore lavender taffeta dresses with net over skirt and carried nosegays of yellow carnations.

The candle lighters were Miss Carol Nichols, wearing lavender and Miss Carlene Coughenower, wearing pink.

Roger Kincaid was best man for his brother and the ushers were Donald Eubanks, LeRoy Brenner, Lindsay Kincaid and James Stockard. Ted Roy sang "I Love You Truly" and the "Twenty Third Psalm."

The mother of the bride was dressed in black with pink accessories and the mother of the groom wore wine with navy blue accessories. They each wore a corsage of gardenias and pink rosebuds.

A reception was held in the church. After the bride and groom cut the first piece of cake, it was served by Mrs. Tom Udine and Mrs. James Stockard, assisted by Miss Wanda Wagner. Mrs. Lloyd Gossler poured, Mrs. Leslie Roundy served the punch, Mrs. Luther Garner had charge of the gifts and Mrs. Ted Peterson the guest book.

For going away the bride chose a navy blue suit with red accessories and she wore her orchid. After a honeymoon trip to California they will be at home at 110 S. E. 8th in Pendleton, where they both are employed.

Nazarene Churches Show Member Gain

Substantial gains in every phase of international work of the Church of the Nazarene were reported in year-end statistics released today by Dr. S. T. Ludwig, general secretary of the denomination, which maintains its international headquarters in Kansas City, Missouri.

Setting the pace of progress was the amount given by members for all purposes—nearly \$30½ million, which is a per capita giving of \$118.33, the largest in the history of the denomination.

During 1953 membership climbed to 258,000, a gain of more than 3 per cent. The report also lists 3,826 established churches in the United States, 117 in Canada, and 97 in other world areas, for a total of 4,040. In addition, the church now has 265 missionaries and 1,150 native workers on 25 foreign fields.

The Sunday school organization showed similar gains, reporting 537,000 enrolled. This is an increase of 3 per cent over last year and more than twice as many as listed for church membership.

The Ione Nazarene church is the only one in Morrow county, and Rev. Wilfred C. McKay is the pastor.

We also elected new officers: Mary Kay Slocum, president; Nancy Kay Moyer, vice president; Judy Parsons, secretary; Doris Morris, treasurer; Sandra Jones, news reporter; Sheryl Harris, song leader.

We are now working to pass our first rank in Camp Fire.

Shirley Van Winkle, Janet Thompson and Sandra Jones have received letters from their pen pals from foreign lands and the other girls are anxious to receive their letters.

Refreshments were served. Sandra Jones, reporter.

Ione School Notes

The basketball team won both of their games last week. One at Boardman Friday evening and one here with Umatilla Saturday evening.

Dee Jay Nelson of the National Assemblies of Los Angeles, gave a demonstration and lecture on Harnessed Lightning at the school Jan. 13. Mr. Nelson began his researches with electricity while he was still in high school and constructed his first crude Tesla coil electrostatic transformer at that time. Since then he has improved and elaborated upon this and several other instruments and is one of the most elaborate now in existence. The transformer which is collapsible into several pieces for easy transporting, weighs about four hundred pounds and is fully protected for a safe and yet brilliant display.
