WHAT'S DOING

Triple-duty" truck speeds pole-setting

Telephone poles now go up faster than ever, thanks to the specially designed truck. Equipped with a fast rotary digger, a long arm, and winch line, the "triple-duty" truck digs poleholes, sets in the poles, and straightens them... all in a jiffy. This versatile vehicle also has many other jobs, including salvaging twisted wire on its special reel. We're using it in many places throughout the Pacific West today. Developments like the "triple-duty" truck help us provide you with more service, good service, at the lowest possible cost. Pacific Telephone works to make your telephone a bigger value every day.

Test Drive a FORD... and you'll want to drive it home

Feel how Ford's new Ball-Joint Front Suspension cushions the bumps.
You'll find a new kind of ride... level and smooth... even on rough, rutted roads. And, because Ford's new ball-joint front suspension is simpler than the conventional type... with 12 points of wear eliminated... that "new car" feel lasts longer.

Look at your beautiful surroundings.
You'll see why Ford interiors for '54 set a new high in beauty. For here is a matchless blending of fabric, color and styling. Every detail says "fine car" quality from the new upholstery and trim to the unique new Astra-Dial Control Panel. And you'll find there's all the "living room" you'll ever want or need.

See how Ford's optional power assists* make your driving easier.
Unlike other low-priced cars, Ford offers a power-lift system that operates on all four windows. And Ford's power-operated front seat moves up and down as well as back and forth. Ford also offers you power brakes, power steering and Fordomatic.

Your fun really begins when you own a Ford
Of course, you can't fully appreciate the many, many "worth more" advantages that are yours in a '54 Ford until you actually own one. You'll find that your Ford provides the careful craftsmanship of a hull-tight Crestmark Body, the added safety of Full-Circle Visibility, the easier action of suspended clutch and brake pedals and the convenience of Center-Fill Fueling... advances which make your Ford more fun to drive. And only Ford in the low-price field brings them to you. Why not join the swing to Ford!

You Can Call All the Way to New York City for Only \$2.50 plus tax

More and more people here in the Pacific West are finding out what a value long distance telephone service is... to keep contact with friends and relatives in distant places, to get business affairs handled quickly.
One reason — it costs so little to call. You can now talk for three minutes, day station call, all the way to New York for only \$2.50 plus tax. And your calls over shorter distances—like Chicago or Salt Lake, or up and down the Coast, naturally are even lower.
And here's a tip about long distance calling. You'll be surprised at how much you can say in three minutes if you'll prepare your notes beforehand and make notes while you talk.
Today, a long distance call is surely one of the best buys you can make. **Pacific Telephone.**

When you have a series of calls to make...

It's a good idea to leave a few minutes between calls, instead of making one right after another. Spacing four calls gives other people a chance to reach you. And ten calls you receive are ten just as important as ten calls you make.

We cordially invite you to Test Drive a **'54 FORD**
