

COUNTY COURT PROCEEDINGS

Court Proceedings for the month of January, 1954. The minutes of the December 1953 term were read and approved.

The Court approved the appointment of Willard Baker of Boardman to a 3 year term on the Morrow County Fair Board.

The Court appointed Archie D. McMurdo, M. D. as County Physician for the year 1954.

The Court appointed Gena Leonard of Lexington as a member of the Hospital Board for a period of 5 years.

The Heppner Gazette Times was declared by the Court to be the official newspaper of the County for the year 1954.

Walter W. Hayes of Boardman was appointed a member of the Budget committee for a term of 3 years.

The Court appointed Olive B. Hughes as Assessor to serve until a successor is elected and qualified.

The Court approved licenses to be issued to School District No. 25 to conduct a public dance hall at Boardman, and to the Morrow County Fair and Rodeo Association at Heppner.

The following Bang's Disease claims were allowed: Jerry Brown \$8.00.

Ford's New Ball-Joint Suspension gives you the Newest Ride on the Road!

This revolutionary new Ford front suspension soaks up road shock before it reaches you! Makes all riding and handling easier!

Seals out dirt. You can forget road splash because dirt and water can't get into the ball joints in Ford's new front suspension. Each of the four joints is effectively sealed by a unique rubber-and-metal shield. This means that contact surfaces of each ball and socket remain clean—wear is kept to a minimum.

Keeps that new-car feel. You'll enjoy Ford's new-car feel much longer because ball joints are spring-loaded to compensate automatically for any wear. Front wheels hold alignment far longer than with conventional systems. Ball joints can't stick or bind. Steering remains consistently easy.

The "old" roads won't seem the same with Ford's new Ball-Joint Suspension "paving" the way for you. You'll enjoy a softer, more-level ride because Ford's new system allows greater shock absorbing movement of the front wheels. Handling is far better, too, not only on turns but on the straightaways as well. That's because conventional kingpins have been replaced by simple, sealed ball joints that won't stick or bind. No other car in Ford's field can equal this modern ride—because no other has Ball-Joint Suspension.

Agile new performance, too, is yours in a '54 Ford. Whether you choose Ford's new 130-h.p. Y-block V-8 or 115-h.p. I-block Six you get the quick response and smooth, quiet operation of a modern overhead valve, low-friction deep-block engine. And no matter which of Ford's 28 new models you choose you enjoy recognized style leadership—with clean, modern lines... sparkling new colors... and harmonizing upholstery fabrics and trim.

Eliminates 12 wear points. Ford's Ball-Joint Front Suspension eliminates 12 of 16 points of wear found in conventional systems. Rubber-bushed supports at inner ends of suspension control arms not only reduce the number of wear points but also insulate chassis from road noises.

We cordially invite you to Test Drive a '54 Ford

Rosewall Motor Company
