Grain Storage

Low-Cost "Wonder Building"
 Multi-Purpose Building width 20 ft., 30 ft., 40 ft., 50 ft., 60 ft. any length

FULL CAPACITY WITHOUT SIDE WALLS, POSTS, OR EXTRA BRACING. BULK-HEADS AVAILABLE TO DIVIDE STORAGE SPACE

ERECT YOUR OWN "TRUSSLESS"
 18 gauge steel
 STORAGE Building in a FEW DAYS
 ... IT'S THIS EASY

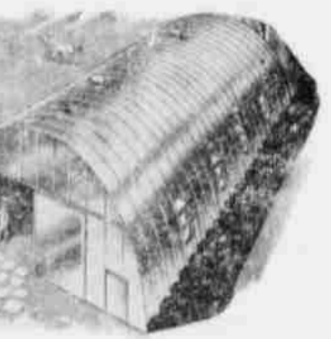

You simply make an erection scaffold slightly shorter than the height of the size building ordered. Lap and bolt half arches on the ground as indicated.

Lift an assembled single half arch and lean against scaffold.

Set the other half arch on the other side of the scaffold. Lap and bolt to complete one full arch. Continue this same procedure, building rows together until your building is completely erected.

- No Braces
- No Supports
- Absolutely Trussless
- 18 Ga. Galvanized Steel

THE ONLY FASTENING IS A NUT & BOLT!

The average household probably contains all the tools you need to erect a Wonder Building. You can use simple tools like a wrench and a screwdriver. For faster bolting you might want to use a ratchet wrench or an electric tool. Many Wonder Buildings have been completed in two days. Wonder Buildings are fireproof and withstand heavy wind and snow loads. Wonder

Buildings come in many widths, 20', 30', 40', 50', 60' and as long as you want it. The building is demountable and may be lengthened or shortened two feet at a time at will. There are absolutely no braces or trusses of any kind. Wonder Buildings are used as barns, Machine sheds, cattle shelters, for grain storage, etc. There is no place for holes to rot.

Sno-Cats stalk trouble in the mountains. High in the snow country of the Pacific West, winter blizzards are fierce and frequent. Here motorized Sno-Cats help telephone crews roll out fast to stop trouble before it can interrupt service. The powerful "Cats" carry 6 to 8 men comfortably, cruise over the snow and ice at speeds up to 25 miles an hour. Using these vehicles instead of skis or snowshoes, our mountain crews patrol vast areas faster. They can spot such potential troublemakers as leaning poles, broken branches, wires buried in towering snow drifts. By saving valuable time and helping prevent trouble, the Sno-Cat helps us cut costs, hold down the price of telephone service to you. Pacific Telephone works to make your telephone a bigger value every day.
