

Sets March As City-Wide Cleanup Month

Echo Palmtater
 Month of March has been set for the annual clean-up of the city through the efforts of the lone Garden of the city council. Our city is a lovely location and it should be justly fit.

During this clean-up month each citizen should give special attention to his own premises, including parking strips, alleys, vacant lots. If one citizen can do his neighbor with his clean-up problems, it would be appreciated. Organizational, building surroundings should not be forgotten. Our hats are off to the Legion boys who have already made a great improvement to their property and to other citizens who have already begun or finished their projects.

A few hints follow to aid the city collector. Burn all rubbish possible, including newspapers, tree limbs and brush. Haul away trash to the dump, if possible, otherwise call 8-7142 if assistance is necessary.

Harry Tafler and Marvin Prager, table tennis champions, will put on a program at the school Wednesday March 10. They are noted for their speed and skill. Prager is central western and western United States champion and finalist in the National men's doubles. Tafler is the New York and Indiana state champion and a member of the United States table tennis team to Europe for the past two years.

GET REDDY—GO ALL ELECTRIC!

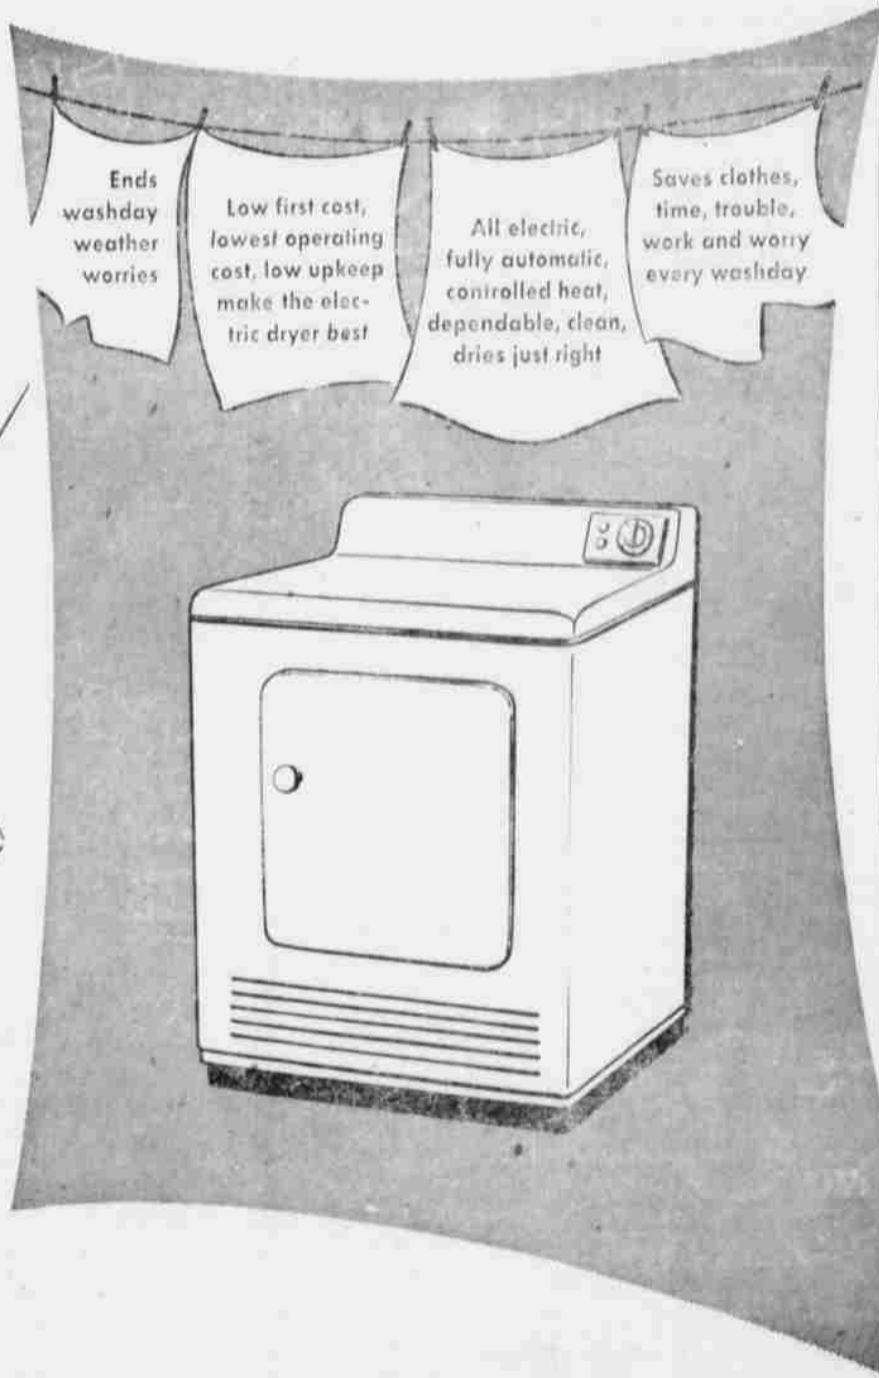

Lady, if he can't take a hint, come right out and tell him

you want an

ELECTRIC CLOTHES DRYER

Tell him how tired you are of lugging and stooping, stretching and pinning, hanging up wet clothes every washday! Go ahead—tell him! Tell him how a dryer can cut your ironing time in half because clothes come out so soft, fluffy and wrinkle-free, many pieces can be put away without ironing—giving you more time to spend with him. Tell him, too, it's an automatic electric dryer you want, because they're better in so many ways. Go ahead, tell him—bet he'll buy you one!

Oh, and don't forget to mention that you can dry a whole month's washing in an electric dryer for only about 55¢ here where the cost of electricity is less than half the national average.
