### Do It Yourself

Sparking the "Do It Yourself" products that are sweeping the country and proving so popular with homemakers are the easy to apply, quick drying, interior paints based on synthetic latex, a notable development of the chemical industry. Homemakers are finding that even the rank amateur can do a good job with these paints as they're easy to apply with either brush or roller. Brush or lap marks do not show, so if you miss a spot just go back and fill it in. The latex paints dry to the touch in a matter of minutes, going away with the general household upheaval formerly associated with a home decorating job. And no longer do you have to "air" the rooms—there is no painty odor. Therefore, redecorating can be done comfortably in any weather. Any drip spots on floor or woodwork can be simply wiped up with a damp cloth. Brush or roller are quickly washed clean when you're through painting for the day. When thoroughly dry, the satin finish can be scrubbed repeatedly with soap and water. Crayon, pencil or ink marks, grease, catsup, mustard—any common stain—simply won't faze the tough latex film. Considering that labor represents a major percentage of the cost of any paint job, it is no wonder these latex paints are turning the whole family into "Do It Yourself" men.

### 4-H Summer School Delegates Named by County Council

Meeting last Thursday evening, 4-H leaders of the county council approved the 4-H summer school delegates selection of club members to attend 1954 4-H summer school. The summer school will be held at the Oregon State College campus on June 15 to 25. Selected were club members who were at least 13 years of age, had completed at least two years of club work and had successfully completed all projects enrolled in last year.

Those selected who have state sponsored scholarships are Marjorie and Duane Baker, of Ione, Sally Palmer, Jean Marie Graham and Patsy Wright, of Heppner. Others who will attend are Diane Grant, Carole Ann Anderson, Janice Martin, Helen Graham, Joan Brosnan, Barbara Warren, Ida Sue Stratton, Eddie Brosnan, Tom Curran, Dick Williamson, and Micky Van Schoick, of Heppner; Bonnie Crum, Ann Belle Coleman, Judy Howton of Ione. Several alternate delegates were selected in

case some of these members were not able to attend. Morrow county's quota for 1954 is 32. The remainder of this quota will be made up from 4-H boys and girls from Irrigon and Boardman. These will be selected soon by the North Morrow 4-H Club Council. Summer School delegates are sent through scholarships provided by organizations and individuals interested in 4-H club work. Appointed to gather scholarships were D. O. Nelson of Lexington, Norman Bleitel of Ione, Mrs. Elmer Palmer, Rhea Creek, and Mrs. P. W. Mahoney, of Heppner. Scholarships are \$25.00 which takes care of all expenses with the exception of transportation. Arrangements have been made for the delegates to travel by a chartered Greyhound bus as in 1953.

Other business transacted at the council meeting was that of preliminary plans for summer camp, the annual 4-H agricultural tour, and livestock field day. Leaders attending the meeting were D. O. Nelson of Lexington, Carl Rhea of Echo, Herman Bleitel of Ione; Bernard Doherty and Harold Peck of Heppner; Mrs. Walter

## WHAT'S DOING

D. A. Short, your Telephone Manager for Heppner

### New gun shoots wire instead of bullets

If you ever visited your local telephone office, you most likely were amazed at the thousands of small wires that connect the intricate equipment. It used to be that each tiny wire connection had to be soldered by hand. But today, on some kinds of equipment, a new wire wrapping gun is used. It literally "shoots" wire around a terminal. And it grips so tightly that, if you tried to pull it loose, you'd break the wire first. By doing an important job faster, better, cheaper, the wire gun

helps us provide service at low cost to you. Pacific Telephone works to make your telephone a bigger value every day.

### Long distance calls now cost you less

The reduction in excise tax from 25% to 10%, voted by Congress, is good news for long distance telephone users. All of the reduction will go di-

rectly to our customers. It means that every long distance call you make—to anywhere in the country—now costs you less.

### Enjoy the convenience of an extra telephone for just pennies a day

Anywhere in your home—in the bedrooms or kitchen... in the garage or basement—you can enjoy the added convenience of an extension telephone. Extensions make it easier for the whole family to place calls, receive calls. And this step-saving service is yours for just pennies a day. To order your extension, call our business office today.

### How to say more in your long distance calls

You'll find you can "squeeze" more words into your long distance calls if you make notes in advance. That way, you'll cover important points in less time. Remember, too, that you'll save time if you give the operator the out-of-town number you're calling. For a free personal number booklet, contact our business office, Pacific Telephone.
