WHAT'S DOING

D. A. Short, your Telephone Manager for Heppner

Where safety is always in style

The man inside the strange garments (at right) put them on to show you the wide variety of safety devices we use today. Of course, it isn't likely a telephone man will need all this equipment on any single job. But whatever the job, telephone men have the safety devices and techniques they need. Making safety our style pays off for you. For we think a job must be safe to be good. And only good jobs can hold the capable people needed to bring you more service, dependable service, at lowest possible cost. Pacific Telephone works to make your telephone a bigger value every day.

Save time—look up numbers before you call

You know, telephone numbers have a way of getting twisted when you rely on memory alone. So, to make sure you get right numbers the first time you call, look in the telephone book for those you're doubtful about. And to help you keep handy the numbers you call most often, we'll be glad to send you a free booklet to list them in. Get your copy by calling, writing, or dropping in at our business office.

An extra telephone is yours for just pennies a day

In any room in your home, you can have the added privacy and convenience of an extension telephone. In bedrooms or kitchen... in the garage or basement, extensions save you steps, save you time. And this extra service is yours for just pennies a day. We can offer this service because no additional outside wires or equipment are needed—only the telephone itself. To order your extension, just call our business office. **Pacific Telephone.**

Live wire that really looks it
(One reason why Buick is such a big success this year!)

ITS sports-car lines tell you there's lift and spirit here enough for any man. Even standing still this glamor car looks alive. And that look-of-tomorrow styling that's part and parcel of every new Buick — that sweeping panoramic windshield with the dream-car slant — all that says there's action here, and plenty of it. But just note the name "CENTURY" emblazoned on its rear fender, and you can take it as gospel that this is a performance car of the very first water. It's the livest of the live wires — the highest-voltage Buick in the line.

It is instant on getaway, a joy in cruising, a breeze on hills — and a honey of a friend in the added safety of its plenty reserve power always on hand for sudden needs. It is, in fact, a 200-horsepower performance car, and priced far below it — the highest-powered car at its price in the land. With this great-powered good-looker setting the pace — and with equally impressive SPECIALS, SUPERS and ROADMASTERS adding to the excitement — is it any wonder Buick today is outselling every other car in America except two of the so-called "low-price three"? Come in and try one of these gorgeous new Buicks. With the prices we're quoting, you can make the buy of the year this very week.
