

POLICE DEPARTMENT ISSUES LIST FOR SAFE PRACTICES BY BIKE OWNERS

In an effort to curb careless bicycle riding in Heppner streets, the local police department this week issued the following list of instructions for youths. Chief George Reid stressed the need for lights on bikes and said that he will be glad to help any youngster install lights or reflectors if he will bring lights and bike to the city hall.

1. A person riding upon a bicycle must ride only upon the permanent attached seat.
2. A bicycle should not be used at any time to carry more persons than the number for which it is designed. (Only one person should ride on a standard bicycle.)
3. A bicycle rider, or a coaster, or a person on roller skates, sled, or toy vehicle must never hold nor hitch on to another vehicle.
4. Bicycle riders must use the right-hand side of the street or roadway the same as other vehicles, using care when passing a parked vehicle or overtaking any vehicle ahead.
5. Bicycle riders upon a street or roadway must not ride more than two abreast—A safe riding practice is, to ride "single file".
6. Where there is a path for bicycles along a roadway, riders should use the path and not the roadway.
7. A bicycle rider must not

carry any package or article which prevents him from keeping at least one hand upon the handle bars.

8. Every bicycle when used at night must have a lamp in front that will show a white light for a distance of 500 feet. Also required is a red reflector on the rear of such bicycle, to be seen from distances of 50 to 300 feet when the bicycle is ridden in front of the headlights on a motor vehicle. A red light that can be seen 500 feet to the rear may also be used in addition to the red reflector.

9. Bicycles must be equipped with a bell or other device that can be heard at least 100 feet away. A siren or whistle is not permitted.

10. Every bicycle must have a brake which will enable the rider to make the break wheels skid on dry, level, clean pavement.

11. Do not leave bicycles lying on sidewalks where they interfere with pedestrians.

4-H CLUB NEWS

A recent letter from Mrs. J. L. Cooley, leader of the Irrigation Electric one and two clubs telling us that they are very much interested in the International Farm Youth Exchange program. Their club uses the news which is sent periodically from IFYE's visiting foreign countries. Her club members find them very interesting, as she reads them to her club members at their club meetings.

With 4-H Agricultural tours, Fat Shows and sale, 4-H Summer School and Summer Camp behind us, preparation was begun today to select delegates to attend the 4-H Conservation Camp that will be held during the week of August 2. It will be held at Pringle Falls, located 32 miles south of Bend, this year. Ivan Agers of the Ione Livestock Club, is the first delegate to be selected to attend this camp. Morrow County can send four. During the week, the older boys attending the camp study such things as plant and tree identification, range conditions, how to detect the good and bad ranges, proper use of range to get the most beef and produce the most feed, woodsmanship, how to conduct yourself in the woods, make a camp, what to do when lost, the building of fires, hunting and fishing equipment and big game management. It is sponsored by the Northwest Section of the American Society of Range Management. O. W. Cutsforth of Lexington, is county committeeman from Morrow County and is active in gathering scholarships and assisting with the program. He has

donated the use of his truck equipped with canopy for hauling all Eastern Oregon boys to the camp. It will also be used at camp for transporting the delegates on range tours.

The 4-H ways and means committee met Monday evening to consider ways of raising money for various 4-H club activities during the year. Chairman is Mrs. E. M. Baker of Ione with Carl Rhea, Echo, and Mrs. Claude Graham of Heppner as members. At this meeting, main plans were made for the operation of the 4-H club kitchen at the fair grounds during the dances preceding the fair. The group decided that they would rent out the kitchen at dances this year if interested persons could be found to operate it. They will serve on Friday during fair. Plans were also made for holding a dinner in late fall and possibilities for selling chances on a lamb and pig.

A successful 4-H summer camp was concluded Sunday afternoon with a potluck dinner at the fair pavilion. Plans were altered at noon Sunday because of rain when the camp and campers were moved and the potluck dinner and recreation planned for that afternoon changed to the fair pavilion. Leaving Friday noon, 52 4-H club members with coun-

selors, cooks and chaperones spent two evenings and two days at the Herron Creek camp. Those attending camp were Faye Kenney, Lynn Hobbs, Connie Swearingen, Vila Rae Hill, Theresa Hill, Iris Stickly, Dale Stickly, Dolly Hinkley, Nancy Hoadley, Norman Gollyhorn, and Wanda Cook from Irrigon; Kert Gantenbein and Edna Hoffman of Boardman; Martha Doherty, Roger Doherty, Russell Dolven, Janet Palmer, Carol Ann Palmer, Louise Botts, Kenneth Nelson, Barbara Steagall and Billy Gottschalk of Lexington; Jack Lieullan and Sandra Rhea of Echo; Leann Padberg, Skip Emert, Kenny Smouse, Joann Turner, Ann Baker, John Akers, Ralph Akers of Ione; Rose Marie Nash, Sara Burnside, Marjorie Peck, Brenda Townsend, Mary Slocum, Janet Thompson, Bernice Thomson, Jerry Anderson, Kit George, Nancy Harshman, Connie Anderson, Bonnie Hannon, Margaret Kendall, Lucille Kendall, Carol Anderson, Wilma Bothwell, Shirley Nash, Vickie Barger, Roseann Ayers, Danny Brosnan and Shirley Van Winkle of Heppner.

Patricia Peck and Sharon Becket, former 4-H club members, were camp counselors and recreation leaders. Roger Vorderstrasse, Oregon State Game Commission, assisted with the program as did N. C. Anderson and Maud C. Cass-

CHURCHES

HEPPNER ASSEMBLY OF GOD

Willis W. Geyer, Pastor
Services:—
Sunday School 9:45 a. m.

DEADLY WEEK-ENDS

Pleasure time is no time for accidents and sudden death, but unfortunately that is when the grim specter works overtime.

On the average week-end about 290 persons are killed and more than 13,600 injured. In a year's time, week-end and holiday casualties climb to the numbing total of 15,000 dead, 750,000 injured, or about 41 percent of all lives lost annually in traffic accidents.

With a week-end or holiday coming up, families and vacation parties swarm the roads to places of recreation, traffic is congested, driving strain increased—and then the fatal count begins.

Millions of good, bad and indifferent drivers speeding, cutting in, weaving, ignoring the rules of courtesy, challenging traffic controls, provide the lethal ingredients for crashing and killing. Add to this the potion of the drinking driver and the mixture is deadly.

When you plan week-end driving be doubly cautious. Try to avoid peak hours of travel and congested routes. Start early, return before or after the rush. Watch your driving, keep your temper, don't contest the right-of-way—and watch the other driver!

Slow down—take a little longer and bring your family home alive.

SLOW DOWN—LIVES ARE IN YOUR HANDS!
