

Damage Slight When Grader Tips At Monument

John O'Kelley had the misfortune of turning his grader over Saturday afternoon while working on Wilson street while working on the North Fork Lumber Co. mill. Fortunately he was not hurt and the grader suffered only minor breakage. The day was so hot that it was feared it would burn up, but O'Kelley had the presence of mind to shut the diesel off before he jumped. The accident drew a large crowd of spectators and several pictures were taken. Mr. and Mrs. O'Kelley drove to their home in Prineville after work closed down that evening.

A large crowd of relatives, friends and neighbors gathered at the Grange hall last Monday night honoring Larry Holmes and Joel Boyd with a farewell party. The boys went to John Day on Tuesday and were inducted into the armed forces. Ab Gates entertained by showing pictures of wild life in Montana, after which square dancing was enjoyed until midnight when a potluck supper was served.

Mrs. Wanda Phipps of John Day demonstrated to a large crowd of women and 4-H club girls at the

Grange hall on Thursday July 8. With the assistance of Clyde Cavender of Hamilton she demonstrated the preparing and freezing of peaches and asparagus. She showed different types of freezing containers, pointing out the good and bad parts of each. A discussion of the packaging and freezing of meats was also given. There were about fifty present.

Yours in both

An entirely new kind of motor fuel that ends forever the biggest single cause of engine trouble! Detergent-action Chevron gasolines actually clean the carburetor in every gasoline engine you have, and keep it clean! Until now, carburetors had to be cleaned or adjusted every few thousand miles, because tiny bits of soot and gum in the air entering the carburetor built up deposits that caused rough idling, gas waste, and stalling at stop lights. Now, detergent-action cleans out these deposits while your engine is running, and prevents new deposits! Try detergent-action Chevron Supreme or Chevron gasoline.
