Grain Fed Steers Hold Top Price

HERMISTON—John Glavey of Heppner topped the market at the Hermiston livestock auction Friday with 10 weaner pigs that sold for \$18.25 per head, Delbert Anson, manager of the sale, reports.

Volume of cattle consigned was up somewhat, trading was brisk and demand broad. Consigned in small lots of 91 consignors were 278 cattle compared with 251 the previous Friday, 106 hogs compared with 145 and 24 sheep compared with 77.

The new high of \$22.00 cwt. set the previous Friday by the first grain-fed fat slaughter steers was maintained Friday, and arrival of grain-fed fat heifers Friday raised their price \$4 cwt. to the same \$22.00 top. Both, totaling about 25 head, were of good quality and finish. Dairy heifers hit \$41.00, up \$5 hd. Feeder steers of poorer quality dropped \$1.35 cwt. to \$18.40. Veal and weaner pigs dropped due to lower quality. Good quality bulls were up 60c to \$15.80 cwt.

Another new high in over a month was the \$21.50 paid for a light young sow. Also unusually high was the \$26.90 for good quality feeder pigs, up \$3.15 cwt., which were in strong demand by farmers completing early harvest operations who planned to feed them cull peas and cracked grain. Weaner pigs were up \$1.25 to \$18.25 hd., fat hogs up 20c to \$24.50 cwt.

Contributing to the brisk demand were Washington and Oregon packers, potato and other feeder farmers who had completed haying or early harvesting.

Needed next Friday are feeder steers, ewes, and grain fed steers an heifers for packers.

Others topping the market were O. V. Riser, Echo, 410 lb. sow, \$18.00 cwt. and a 210 lb. white sow, \$21.50; John McEntire, of Boardman, 3 fat hogs, 600 lbs., \$24.50; Elmer Chichester, Huntsville, Wash., 4 feeder pigs, 420 lbs., \$26.90; Tom Harer, Dale, 2 lambs, 200 lbs., 17c per lb.; C. M. Jackson, Hermiston, registered Hereford bull, \$200.00 hd.; W. G. Seehafer, Ione, 1380 lb. whiteface steer, \$22.00 cwt.; L. M. Nelson, Hermiston, 235 lb. veal, \$18.80; E. F. Rhode, Echo, 450 lb. heavy veal, \$18.30; E. P. Snyder, Hermiston, 775 lb. whiteface heifer, \$22.00; Lee Beckner, Ione, 1585 lb. whiteface bull, \$15.80.

Calves: Baby calves 4.00-21.00 hd.; weaner calves, steer calves 15.75-18.50 cwt.; heifer calves 14.25-17.10 cwt.; veal 17.75-18.80 cwt.

Steers: Stocker steers 15.75-17.10 cwt.; feeder steers 17.25-18.40; fat slaughter steers 19.10-22.00; fat heifers 16.50-22.00.

Cows: Dairy cows 90.00-127.50 hd.; dairy heifers 23.00-41.00 hd.; no stock cows.

Slaughter cows: Commercial 11.50-12.60 cwt.; utility 10.50-11.30; canner-cutter 8.25-9.50. Few Holstein cows to 10.60; shells 4.50-7.35 cwt.

Bulls: 14.75-15.80 cwt.

Hogs: Weaner pigs 14.25-18.25 hd.; feeder pigs 21.75-26.90 cwt.; fat hogs 23.60-24.50 cwt.; sows 16.50-19.50, light young sows to 21.50 cwt.; light young sows to 21.50 cwt.; no boars.

Sheep: Feeder lambs 13.60-16.10; fat lambs 16.50-17.00; no ewes or bucks.

Child care exhibits, which are completely new at state fair will feature toys, children's garments and picture scrapbooks made by 4-H club members.

The flower arranging contest, which was a new feature last year, is being offered again. It will be September 4 at 2 p. m.

The livestock judging contest, which formerly included both dairy and meat animals, has been divided this year. Now there is a separate dairy judging contest. Beef, sheep and swine included in the revised livestock judging contest.

New ruling on 4-H judging teams is that they may be selected on a county-wide basis. In other years they had to be from the same 4-H club.

The 4-H and FFA livestock auction will be absent from this year's fair. The change was made because the two youth groups will be showing their animals at different times. Monroe explained. Using the same facilities, 4-H club members will have their stock at the fair grounds from the evening of September 3 to September 7 and FFA will take over during the last half of the fair.

County Agent's News

(Continued from Page 2)

period is shortened from 60 to 50 days, the penalty is 204 pounds of milk. If the dry period is cut to 30 days, the penalty is 691 pounds of milk. No dry period resulted in a penalty of 116,056 pounds of milk. The answer to this problem is to keep record of breeding date, date to turn dry and date to calf, and use them.

On irrigated land it is possible now to seed fall alfalfa, clover, or grasses. If done during August or very early September, these crops should produce a full yield next year. At least they will far outyield seedings that are not made until next spring. To be successful seedings must be early enough to get established before late fall freezes. Days are getting shorter the later part of August. Even though days may be warm at noon, hours of light and temperature are reduced. September 10 is about the latest that these seedings should be made. Fall seeding of pastures of grass and legumes lets the grass get started during the cool fall and spring weather. Wilt hazard the first year is usually not as great from fall seeded pastures as from spring seedings.

Mr. and Mrs. Sie Walker of Lebanon were visitors this week in Heppner. They were former residents, moving to the valley several months ago.

FAIR-MINDED

"The Hobby Spot" could be a good name for the miscellaneous arts division of the fair. Art work, leather work, ceramics and of course textile painting. Take your choice. We are expecting a full house of these exhibits. How are your flowers coming along. We hope you are keeping an eye on the nicest ones for the display at the fair.

4-H Clubs Plan New Features At State Fair

A four-day livestock exhibit, bread baking demonstration contest and child care exhibit will be among the new 4-H features at the Oregon state fair, September 4 to 11.

Instead of exhibiting all during the fair, 4-H club members will show their livestock and poultry during the opening days, according to Cal G. Monroe, state 4-H extension agent. Rabbits will be exhibited the last half of the week.

Oregon is one of just six states selected to take part in a national bread baking demonstration contest, Winnifred Gillen, state 4-H extension agent, said. It will be open to both individual and team competition. Later in the year one of the state winners in this demonstration will be picked for a trip to the national 4-H club
