**Move to the mountains —without leaving your chair!**

*(Air-conditioning brings you mountain-fresh air!)*

No matter how hot it gets, you'll feel just like you're living in the mountains if your home has the cool, crisp comfort of air-conditioning! You will sleep, work, *live* better in a home that's kept cool and fresh, with filtered air and with humidity comfortably low. Modern electric air conditioners make all this easily possible. There's a size and type for every need — from single-room conditioners to units that keep the whole house cool, clean and comfortable. Don't put up with stifling, sticky heat in your home another day! Move to the mountains—the easy way!

Electricity is today's biggest bargain! Air-conditioned comfort is yours on any hot day for only a few pennies worth of electricity.

**NOTHING REFRESHES LIKE**

**Rainier**

Brewed the mellow way. Takes time—but it's worth it. Because Rainier's long stay in frosty ageing cellars gives it the mellowness you like.
