Ione Schools

Chester L. Ward, Superintendent

Monday Sept. 13 the school held its first pep assembly to make arrangements and plans for the coming year. The cheer leaders are Judy Howton, Jean Ann Swanson and Sue Coleman. These girls are experienced cheer leaders and will do a fine job for the student body. At the pep assembly discussion was presented concerning the working for the sportsmanship trophy. This was discussed not only in the student body of the high school but throughout the grade school and to all who will be concerned. The students are asking the entire community to cooperate in this sportsmanship as they did so splendidly last year.

Plans are almost complete for the freshman initiation and party. The school has a regular policy on this and it will be carried out as usual.

The bonfire committee is about ready with their big annual bonfire to be held sometime before the game with Heppner Sept. 24.

A large crowd went with the team to Stanfield Sept. 13 to the Jamboree there. We are very happy that such a large group backed the cheer leaders at the Jamboree. Our boys did a very fine job under the circumstances. They lost the opening game with Echo 8 to 0 and played the 5th quarter with McEwen with a score 0 to 0. The games gave them much needed scrimmage work. We are looking forward to a very successful season.

The school has settled down to the regular schedule and routine and is moving ahead in fine shape. We will begin testing in October. This will give definite achievement of each child and his place in the academic program. All in all we feel very hopeful and encouraged in a very successful school year.

Thanks for the co-operation of all in helping to carry out the "Unit" idea which will be carried out throughout the year.
