GET REDDY—  
GO ALL ELECTRIC!

Ma'am, the way to his heart is easier if you have a

modern, automatic

# ELECTRIC RANGE

Automatic oven timer, minute-timer — always accurate and dependable, for carefree cooking.

Big, floodlighted ovens hold anything you want to bake, roast or broil... do it just right with controlled electric heat.

Modern high-speed units are red hot in 30 seconds... up-or-down speed cooker has a dozen uses!

Storage space for all your pots and pans, baking dishes, cake racks 'n everything!

Only an electric range gives you positive automatic control, is so clean, efficient and convenient.

Much easier, because the new, completely modern electric ranges make it so simple, so easy to cook the things he likes just right every time. These modern miracles help even the best cooks improve their cooking skill. (And they make cooking a lot more fun, too!) Explain all this to him—he's bound to agree, and he'll probably buy you one tomorrow!

Just a few cents worth of electricity a day does all your cooking and baking!  
Low-cost electricity is the biggest bargain in your family's budget!
