

Heppner Ties Stanfield 7-7; League Game Here Friday With Maupin

The Heppner Mustangs thought they had enough of the ball games after the lone stalemate of two weeks ago, but not quite apparently as Stanfield held them to a 7 to 7 draw last week.

Traveling away from home for the first time and playing under lights at Stanfield Friday night, the Mustangs were able to score for the first time this year with Jerry Haguewood taking a hand-off from Lyle Jensen and driving through the line to score from eight yards out in the second period. Stanfield scored on a 25 yard pass into the end zone in the last period.

Heppner was constantly in position to score but lacked the "oomph" to put the ball across the payoff line.

In the first period the Mustangs made 50 yards in 12 plays penetrating to the fourteen before running out of downs. Stanfield in turn made 15 yards in 6 plays penetrating to the 35 before being stopped.

The second round saw Haguewood tally and total the yardage at 135 yards in 19 plays. The Tigers made 28 yards in 6 plays to reach Heppner's 25.

The training center in Portland is one of 30 planned by General Motors and is the ninth to be opened. The units are being developed to enable Pontiac dealers, through properly trained personnel, to give the best service possible to their customers.

Stanfield razzledazzled 78 yards in 7 plays while Heppner linebacked 82 yards in 16 plays reaching the 1 yard line before running out of time.

If statistics decided high school football games, it was a poor day for Stanfield, Heppner made 17 first downs to the Tiger's 5, the Mustangs totaled 332 yards gained to Stanfield's 143. Coach Jim Mallon's Mustangs ran 59 plays from the line of scrimmage to 25 plays by Stanfield.

Next Game Important
The first league game of the season will be played with Maupin this Friday on the Mustang gridiron. Maupin and Moro are the only teams in the 6-B league besides Heppner.

Local Dealer At GM Training Center

James J. Farley and L. N. Nash of Farley Motor company, local Pontiac dealer are attending the Pontiac open house at the new General Motors Training center in Portland. Dealers and their supervisory service employees are taking part in the opening.

Nebraska Senator Speaks Friday To Republican Women

A group of Republican women met at the home of Mrs. Orville Smith Friday for a potluck luncheon and to meet with Senator Eva Bowring of Nebraska.

Mrs. Bradley Fancher introduced Mrs. Marshall Cornett, republican national committeewoman from Klamath Falls, who in turn introduced Senator Bowring.

The Senator spoke on how it feels to be a woman Senator and stressed that women should take any political job offered them. She encourages women to participate in politics even if they have to be ten times better than a man to succeed because of the prejudice against women.

She spoke briefly about Senator Guy Cordon saying that she thought him very able and capable and she is here to help all she can in his campaign.

Others in the party were the Senators administrative assistant, Miss Schwarz of Washington D. C. and State central committee vice chairman, Mrs. von Lubken of Portland.

10 Year Old Gilliam Boy to Enter Steer At Portland PI

Bob Monahan, first year 4-H club member who lives in Condon, but is well known in Morrow county plans to take his Gilliam county fair grand champion 4-H fat steer to the Pacific International Exposition in Portland next week.

The animal he will show received additional awards including second place for showmanship at the fair, first place where the 4-H member owns the dam of the 4-H calf and the model Fat Steer trophy awarded by Mr. and Mrs. Pete Pattee of Condon for the exhibitor of the county 4-H grand champion steer.

The calf is the offspring of a heifer which was purchased in the fall of 1952 from Fred Lemke and Son of Seneca. Mr. Lemke was named Grassman of the Year for his improvement in cattle breeding and range management. Monahan, who is only 10 years of age, won the top placing 4-H livestock judging contest where classes of beef cattle, sheep and hogs were judged. He placed third in the junior stock horse class for horses ridden by youths under 16 and second in the class for horses ridden by youths under 14 and judged on horsemanship. With seven entries, Bob placed second in the 300 yard race for Gilliam county horses.

Bob and his younger brothers Joe and Wayne, and his parents Mr. and Mrs. Frank Monahan of Condon are members of the Wranglers riding club of Heppner and has placed in several Wrangler shows in 1953.

He and his brothers are frequent visitors in Heppner at the homes of his grandparents, Mr. and Mrs. James Farley Sr. and Mr. and Mrs. John Monahan.

**NOW, FOLKS,
LET'S GET DOWN
TO THE
TRUE FACTS
ON THIS
MILK BUSINESS**

"I WANT TO PRODUCE CLEAN MILK... BUT HOW CAN I IF I DON'T HAVE THE PROPER CARE?"

Most dairy farmers and us COWS feel that if the essential MILK LAW were out, you people would be faced with an unsteady milk supply. When this happens, you might be forced to buy milk of inferior quality. It just makes sense that if the dairy farmer does not have sufficient income, he cannot afford to keep us cows clean and keep up the high cost of maintenance that is required by our laws for grade A dairies.

WE OWE A GREATER RESPONSIBILITY TO OUR CHILDREN THAN WE DO TO THE POLITICIANS!

Milk is a perishable item which must be handled very carefully and processed properly. It is the most necessary food item on your family table, where it must arrive fresh and pure to protect your children and the public welfare.

- THE MILK MARKETING ACT PROVIDES A FAIR DEAL FOR BOTH YOU AND THE DAIRY FARMER!
- THE MILK MARKETING ACT PROTECTS YOUR STEADY SUPPLY OF PURE AND WHOLESOME MILK!
- THE MILK MARKETING ACT HAS SERVED YOU WELL FOR OVER TWENTY YEARS!

VOTE 8XNO

Plaid Adv. by the OREGON MILK PRODUCERS' COMMITTEE, LESTER ADAMS, Mgr., 303 Phoenix Bldg., Portland 4, Oregon

Oregon Health Authorities and Grade A dairymen have worked harmoniously to give you the cleanest and safest milk supply to be found anywhere in the world.
