

Grant Union Drops Mustangs 34 to 20

By Larry Mollahan
A devastating ground attack by the Grant Union Prospectors spelled defeat for the Heppner Mustangs Friday night as John Day, 34 to 20.

Deane Connor, sophomore quarter back turned in a George Shaw performance, tossing three touch-down passes, one to Jerry Hague-wood, halfback and two to Dick Kononen, right end.

The Prospectors power on the turf became apparent in the first quarter when they went through the left side of the line to put the ball across the goal line from 35 yards out. Jerry Hague-wood linebacked the ball to the Grant 48 for the Heppner high water mark in the first quarter.

It was Deane Connor to Dick Kononen twice in the second stanza, the first was a pass into the endzone from 15 yards out. Jim Morris, freshman fullback plowed through the middle for the extra point. The second was a short pass from Connor on his own 34 to Kononen on the 40, the 6' 1" end after snaring the ball sprinted the remaining 60 yards to pay dirt. Conversion attempt failed. John Day's juggernaut succeeded in scoring again, this time on a running play from the 38 yard line.

The third period was a hectic one for the Mustangs, the Prospectors scored twice, once after a series of linebacks from the two yard line. The other TD was on a 20 yard pass into the endzone.

The Heppner response was feeble with fullback Jim Morris

Lexington Gridders Meet Weston Friday For District Title

The Lexington high school football squad will meet Weston Friday in a game which will decide the district 6-man championship. If the Jackrabbits win, the title is theirs, but if they lose to the Umatilla county squad they will be tied for the honor with Weston and possibly Umapine.

The game will be played on the new Lexington field at 2 p. m. and is expected to draw a good crowd.

crashing on the Prospector 47. The final round saw Hague-wood take a five yard pass from Connor on the 30 and churn across from that point. Hague-wood capped the play by going through the middle for the extra point. The last score by the pick and shovel men was a lineback that carried for 3 yards into pay dirt.

Next Game Crucial
The next game on the menu is with Moro, which is the only other league game the Mustangs play. If this game is won the Mustangs are assured a state playoff game. It will be played there Friday.

Temperance Speaker To Be Here Sunday

Melvin Derby, director of education for the Oregon Temperance League will be the guest speaker at the Christian church next Sunday at 11 o'clock.

Mr. Derby has been working in this field among high school and college age youth for the past year. His desire in coming to Heppner is to let the parents as well as the children and young people know of the approach that is being made by the League.

The organization Mr. Derby represents has no connection with the Anti-Liquor league, it was pointed out.

Cub Pack Meeting

The monthly Cub Scout pack meeting was held Oct. 26 at the Legion hall with about 30 boys present. Mrs. George Terrill's den put on the program in the theme of the month, hoe-down music. Home-made instruments were played by the boys.

Two new den chiefs were announced, Ken Keeling for Mrs. Terrill's den and Neal Penland for Mrs. Keeling's group.

It was decided to hold a blue and gold banquet and carnival as was done last year. The date will be decided later.

No presentations were made, but several will be made at the next pack meeting.

Mrs. Harold Evans, Mrs. Allen Case and Mrs. E. E. Gonty were in Portland last week from Thursday until Sunday.

GAME REFUGE BOUNDARIES ALONG COLUMBIA RIVER NOW CHANGED

State police and game enforcement officers pointed out to local hunters this week that there has been a change in the location of some game refuge areas along the Columbia river and urged hunters to check the regulations before hunting in that section.

The main change from last year's regulations is that the strip of land between Messner, in northern Morrow county and the Oregon-Washington state line northeast of Umatilla is closed to all hunting. This was open last year. The strip is narrow, lying between the river and the highway 730.

Another change is that the area between Messner and Castle Rock, west of Boardman, is now open to hunting. This is a strip about 6 or 7 miles long which was closed last year. From Castle Rock on west to the east entrance of the Collio Canal the river bank area is closed to hunting as it was last year. The closure in-

cludes all land between the railroad tracks and the Columbia river.

In all the closed area the restriction applies to all hunting as well as just ducks and geese, police indicated.

They also pointed out that the entire Washington side of the river is closed and that the closure runs clear to the middle of the river, as does the Oregon closure, making it unlawful to hunt from a boat or on islands in the previously mentioned areas.

The reason given for the opening of the area around Boardman was to prevent any congregation of birds which have in the past invaded farm areas in the Boardman project and caused considerable damage.

Catholic Mass and Mission Schedule Set

Masses next Sunday at St. Patrick's Catholic church will be at 7:30 and 9:00. This is also Holy Name Sunday with corporate Communion and breakfast meeting for all Holy Name members after the 9:00 mass. Mesdames Agnes Curran, Harry O'Donnell Jr., William Sowell, William Cunningham and Charles J. O'Donnell will be hostesses.

The parish mission will commence Sunday, Oct. 31 and Fr. Lawrence Caulkins, a Servite missionary of Chicago will conduct the mission. There will be services every day during the week, Sunday through Friday with morning mass at 7 a. m. and evening services at 8:00. Fr. Caulkins has had considerable experience in the mission field, he was Marine chaplain during World War II and a Navy chaplain during the Korean campaign. In his talks he will deal with the home and family life, the Sacrament of Matrimony and the truths pertaining to man's redemption.

Non catholics and those of no religious affiliation are welcome to attend.

INQUIRER'S COURSE HELD AT EPISCOPAL CHURCH

Extension Service Leader Urges Farm Census Cooperation

The agriculture census—a once every-five years affair—will have the full cooperation of agricultural extension service workers in Oregon, says F. L. Ballard, associate director of the Oregon State college agricultural extension service.

He stresses the need for cooperation from farm families in filling-in the questionnaires as quickly as possible. This means earlier tabulations and less expense to the taxpayer.

Census questionnaires already have been sent to farmers in eastern Oregon and enumerators will start visiting farms in that area about October 15, according to the census bureau. In western Oregon, forms are to be mailed about October 20 and enumerators will start November 3.

"There are 21 varieties of a basic questionnaire," Robert W. Burgess, director of the bureau of census, pointed out. "Thus, the questionnaire is adapted to crops grown in all parts of the country and keeps to a minimum the number of questions an individual farmer has to read."

Questions asked are based on advice from agricultural colleges, state departments of agriculture, farm organizations, U. S. department of agriculture, and others.

This is the sixteenth summary of agricultural facts taken in the nation's history. There are 5 million farms to be checked.

Facts and figures about individuals and farms gathered during the census are kept confidential. Any information released is in the form of totals for counties, states or larger areas. Census takers are under oath and may receive possible fines and imprisonment for releasing census information without authorization.

Agricultural workers rely heavily on census information about farms and farm homes in research, analyzing problems and doing extension work.

Qualification Tests Dates Are Set

Oregon State Headquarters, Selective Service System, has announced the dates of College Qualification Tests for the 1954-55 school year.

"The first test will be held on Thursday, December 9, 1954, for which application cards must be mailed not later than mid-night November 23, 1954," said Colonel Francis W. Mason, Deputy State Director, "and the second, and last one scheduled for this school year, will be held Thursday, April 21, 1955, for which applica-

Air Force Gets New Pay Plan

The U. S. Air Force put a new pay plan into operation on Oct. 20, it was revealed this week by 2nd Lt. Leslie R. Paulson, public information officer at the Condon Air Force station.

Although not calling for any increases, the new method of payment is designed to offset the long period of time between monthly paydays, by paying all airmen on the 5th and 20th of the month. Officers may take their choice of monthly or semi-monthly payments. If the monthly payment option is taken, the officer will be paid on the 5th of the month, if the semi-monthly option is taken he will be paid on the 5th and 20th.

The optional provision does not apply to airmen, all of whom will be paid semi-monthly.

tion cards must be postmarked not later than mid-night March 7, 1955.

Colonel Mason went on to point out that application cards may be obtained from any Selective Service Local Board office.

"Registrants eligible to take this College Qualification Test are those who have completed or are just completing one year of college work. The Oregon State Headquarters urges all registrants who desire to complete their college work to take this test. Where a passing score is obtained it provides one additional chance of remaining in school," continued Colonel Mason. "It must be remembered, however, that a passing score and the required class standing do not assure deferment but one of these criteria must be met before the local board can consider any registrant for college deferment."

'Julius Caesar'

MGM's filmization of William Shakespeare's great drama, coming to the Star Theater, Tuesday and Wednesday, November 2nd and 3rd. The motion picture was originally released as an "art" number but proved to have such mass appeal for all moviegoers that it was decided to place it in general release. The Star at Heppner was chosen for one of the first smaller town exhibitions. "Julius Caesar" is magnificent Shakespeare and magnificent film entertainment. No longer need students of the Bard become so tangled in the rolling poetic phrases that they cannot see the play for the words. "Julius Caesar" has all the ingredients of a rip-roaring, gang war.
