Announcing new FORD TRUCKS for '55... the Money Makers!

Money-making **POWER!** Important longer-life engine advancements! The only full line of proved, modern short-stroke engines in any trucks! New work-saving, money-saving **CONVENIENCE!** New money-making **CAPACITIES!** New reasons why Ford Trucks are gaining new buyers faster than any other trucks!

NEW savings in all three areas! TRIPLE ECONOMY!

- 1 Money-Making power saves gas!**
ONLY FORD gives you the gas-saving efficiency of proved, modern short-stroke design for every engine! Ford's ultra-modern, overhead-valve engines—four V-8's and one Six—cut piston travel, cut internal friction, save gas. And new engineering in valves, heads, crankshafts, electrical systems and cooling, results in still greater durability!
- 2 Money-Making convenience saves work!**
FORD'S Driverized Cab sets new comfort standards for '55! New full foam-rubber seat and seat back in the Custom Cab*. Work-savers . . . like smoother Fordomatic* with new faster starting, low-gear "step-down" for all light duty series . . . Power Brakes* even for half-tonners . . . Power Steering* for most Big JOBS—make driving easier.
*Modest extra cost
- 3 Money-Making capacity saves trips!**
NEW axle capacities and new springs, coupled with Ford's high-payload construction, make Ford Trucks better load carriers than ever. Ford's new 1/2-ton Pickup, for example, has one of the biggest payload capacities of any Pickup: 1,718 lbs. Ford gives you top payload capacities in over 190 models, ranging up to 60,000-lb. GCW tandem-axle giants.

See the 1955 Money Makers Friday!
