How to Care for Your Sweater of "Orlon"

Your soft sweater of "Orlon" acrylic fiber is easy to look after if you follow a few simple washing instructions:

1. For best results, turn the sweater inside out.
2. Wash in luke-warm water.
3. Use a mild soap or a good synthetic detergent.
4. Squeeze out excess water—do not wring it out.
5. Hang up to dry on a non-staining hanger. There is no need to block a properly constructed sweater of "Orlon."

What's the new news in the '55 cars?

Is it V-8 Power?
Ford has had it since 1932

Is it suspended pedals?
Ford introduced them in 1952

Is it Ball-Joint Suspension?
Ford had it in 1954

Is it oil and battery signal lights, curved instrument panel, rotary door latches, push-button door handles, power-lifts for all windows, Overdrive, Hotchkiss Drive?
Ford has had all of them, too!

Is it hood-high fenders?
Ford introduced them in 1952

The NEWS is Thunderbird Styling
It's not the look you saw in any of last year's cars. It's the new look inspired by the Thunderbird. And it set the styling for Ford's '55 lines.

The NEWS is Trigger-Torque Power
It's trigger-quick "GO" which can obey your commands in 7/100 of a second—four times faster than you can wink.

The NEWS is Angle-Poised Ride
A new, advanced form of Ball-Joint Suspension which not only swallows the big bumps but also cushions minor road flaws to make even smooth roads ride smoother.

Test Drive Thrilling Trigger-Torque in the truly new FORD!
