Heppner High School SCOOP

By Barbara Brock

Vacation days are over for Heppner high school students. Back to work is the one thing planned for everyone with semester exams staring us in the eye before long.

The journalism class is collecting ads saving the money to attend the all-coast press clinic in Seattle, Washington, February 25 and 26. Tommy Harmon, the sport director of KNX, Hollywood, and nationally-known for his radio and television sport broadcast, will be the principal banquet speaker.

International song troubadour, Edo Lubich, presented Heppner high with a National Assembly with his songs and guitar of popular, ballad and folk tunes.

Mr. L. L. Robbins, agricultural teacher and his Ag class plan on seeing the Union Pacific agriculture improvement car in Hermiston January 12. The Union Pacific sets aside an amount of money each year to be used in experimentation with railroad cars to improve agricultural conditions. This year the car improvements are for beef production. All farmers and Ag classes in near communities are urged to attend.

All English classes plan on taking an English test this week to see how a person rates individually with other students in the nation. Other classes taking this Kansas test are physics, general science, biology, general math, geometry, algebra and U. S. history. The social ec. class will only take a test on current events.

Last year Jay Sumner received a scholarship letter, rating him one of the top one percent in the nation in Algebra.
