

## Heppner Crushes Stanfield 50-25

By Larry Mollohan

Another game was added to the Mustang's winning column last Thursday night on the Stanfield Tiger's floor taking the points 50 to 25.

Neil Beamer, 6' 4" Heppner center, used his height to advantage controlling the boards to score high with 12 points for the unbeaten Mustangs. Tom Gilkey Stanfield regular, was high for the Tigers with 10 points.

Beamer was off to a good start in the first quarter tipping in three field goals. Jerry Haguewood opened up from beyond the key and before the Tigers could check his deadly accuracy had dropped in two field goals. Dick Kononen started to percolate with a field goal from the outer key. Skip Ruhl took advantage of two chances at the gift throw line and sank both. The Mustangs established a 14 to 6 lead at the end of the first period and maintained a widening margin steadily throughout the game.

The Heppner defense was impregnable in the second period when the Tigers could only register 5 points all being gifters.

Bob Grabill came off the bench in the second period to connect with two jumpshots for the Heppnerites. Ruhl consistently scoring sank a field goal and one foul shot. Jim Hayes broke into the tally column with one basket to his credit. Beamer kept the pressure on dropping in a deuce from the inner key.

Beamer proved he wasn't accurate only under the basket but with two times at the free throw line he succeeded in making them both count along with another basket in the third stanza. Lyle Jensen opened up and netted a twopointer. Ruhl and Kononen both matched him with a basket each. The Mustangs held a 35 to 21 lead before the last quarter.

The final period of the one-sided contest saw Grabill hit thrice for six points and Hayes twice for four. Haguewood used the foul line once for one point and sank another long one for two more. Jensen wrapped up the scoring with two foul shots.

Coach Larry Doven's hoopsters bring in the new year on the home court this Friday night by playing Rufus. In the preliminary game the Seniors are going to play the Mustang B team. Next Tuesday night the Mustangs will travel to Pendleton to play St. Joe's.
