Telephone man gets 20-year service pin from air line. Since 1931, Pacific Telephone Switchboard Installer Jim Bailey, left, has worked on most every telephone job at United Air Lines' San Francisco office. The people there say they've become so used to Jim's good work and quick smile that they think of him as one of their group. As a result, they recently awarded him one of their 20-year employees' service pins. We believe Jim's pretty typical of all telephone installers. For your "Telephone Man" works to do the best possible job, to bring you the good low-cost service you like . . . and does it with a smile. Pacific Telephone works to make your telephone a bigger value every day.
