OSC Extension Staff Member Speaks to Soroptimist Club

Miss Dorothy Sherrill, of the Extension staff at Oregon State College, spoke to the Soroptimist club Thursday on the subject "Into the Market Basket and Out."

She explained how "modern methods have reduced from 4 1/2 hours to 1 1/2 hours the time required to prepare a meal for a family of four; that food prices do not vary to a great extent when the farmer's prices drop because a large percentage of the price is now marketing costs; that it seems that improved products should make food cheaper and improved processing methods should cut down waste but at the same time there is the added work of providing us with products such as a form that our work is far less than it used to be and we definitely have better food than we have ever had before."

Miss Sherrill is a member of the Soroptimist club and was here to appear at the Morrow County Livestock Association meeting.

Other guests of the club were Mrs. J. O. Turner and Miss Beverly Bradshaw.
