14,000,000 Reasons— that's a lot! We invite you to Test Drive a Ford V-8 and see how much the extra responsiveness of Trigger-Torque power car mean to you. When we have the responsiveness of Trigger-Torque power car mean to you. When we have the responsiveness of Trigger-Torque power car mean to you.

That's almost as many V-8 engines as Ford has built over the past 23 years. And it's more V-8's than all other manufacturers combined have ever built!

As the tempo of the American traffic stream has been stepped up and automotive design has advanced, more and more manufacturers have joined the swing to V-8 engines . . . the swing that Ford started way back in 1932.

Over the years, the Ford V-8 has been consistently advanced to keep pace with the ever advancing need of owners for more efficient and more responsive power.

Now, in 1955, Ford offers two mighty V-8 engines that are the outgrowth and peak achievement of the world's greatest reservoir of V-8 experience . . . which is Ford's!

Both of Ford's great V-8's for '55 give you Trigger-Torque power; which means that you get the power you need, when you need it, at all driving speeds. What's more, these Ford engines are ultra-responsive. You can get the "Go" you want in as little as 7/100 of a second.

Naturally, this split-second responsiveness you get from Ford V-8's makes all driving more fun. And it's mighty important to safety, too. For, as you know, the ability to get out of a tight spot quickly is a safety-must in today's traffic.

We invite you to Test Drive a Ford V-8 and see how much the extra responsiveness of Trigger-Torque power can mean to you. When you do, you'll want to own a Ford V-8 . . . the only engine in its field that's backed up by the roadproof of over 14,000,000 owners.

The mightiest V-8's ever in Ford Cars

This mighty Ford V-8 is packed with thrilling power-ready to obey your commands in a split second. It supplies the power you need for top performance throughout the entire driving range of your car.

162-h.p. Y-block V-8

182-h.p. Y-block Special V-8

This mightier engine is available with Fordomatic Drive in Fairlane and Station Wagon models. If you want the ultimate in responsive power, this is the engine for youl

and that's why Ford's the V-8 leader

Thrill to a Trigger-Torque Test Drive today!
