

Mr. and Mrs. Fred Rauch Honored on 40th Anniversary

By Delpha Jones

Mr. and Mrs. Fred Rauch were delightfully surprised last Wednesday evening when all their children came to their ranch home bringing a beautiful bouquet of pink carnations and a decorated cake, made in a sheet form with pastel flowers and the words Happy Anniversary Mother and Dad. This was to help the parents celebrate their 40 years of married life.

Those present were Mr. and Mrs. Fred Rauch Sr. and family of Colbert, Washington; another son, Mr. and Mrs. August Rauch and

son of Seattle; and the following daughters, Mr. and Mrs. Melvin Clark of Spokane; Mrs. Lily Smiley and children of Spokane; Mr. and Mrs. Douglas Watson and children of Hermiston; Mrs. Joe Pitzer and daughter of Hermiston and Mr. and Mrs. Orville Matheny of Heppner.

They celebrated that evening with a family dinner and then on Friday night they entertained several relatives and friends, with a pinocle party. Those attending at this time were Mr. and Mrs. John Hartman and Mr. and Mrs. Henry Rauch Sr. and three Fetsch children of Heppner; Mr. and Mrs. Henry Rauch Jr., of Heppner; Mr. and Mrs. Julian Rauch of Hermiston and son Irwin of Lexington, accompanied by the Pudrue children of Hermiston, grandchildren of the Julian Rauchs; Mr. and Mrs. Alex Hunt of Lexington and Mr. and Mrs. Fred Hermann of Ione; and Mr. and Mrs. Pine Thornburg of Lexington.

Mr. and Mrs. Jack Griffin motored to Wenatchee where they attended the funeral services of Mrs. Griffin's grandson, one day last week.

Mrs. Carl Marquardt, Mrs. Eugene Sawyer, and Mrs. Franlon Miles, were hostesses last Thursday afternoon to a cradle shower honoring Mrs. Morris McCarl, at the I. O. O. F. dining room. Games were played and later refreshments of cake and coffee were served, following the opening of her numerous and useful gifts. There were about 40 present.

Mr. and Mrs. Don Hatfield were hostesses to a family reunion with the getting together of Mrs. Hatfield's brothers and sisters over the weekend. Those present were: Mr. and Mrs. Harold Burgett and family of Maupin, Raymond Burgett and daughter of Petares, Washington, Mr. and Mrs. Sid Cordner.

Lexington Grange met Saturday night with the Master Alvin Wagenblast in the chair. The minutes of the last meeting were read and approved and after the business was over initiation was given in the first and second degrees to Mr. and Mrs. Millard Nolan. This work was beautifully done by the Ione degree team who were dressed in pastel colored formals. After this, refreshments were served in the lunch room by the following committee: Mr and Mrs. Karl Miller, Mr.

and Mrs. Alvin Wagenblast, and Mr. and Mrs. Earl Evans. At this meeting Lexington was highly favored with several out of town visitors; Oscar Peterson, agriculture committee chairman of the state Grange of Ione; Ray Drake, Master of Pomona Grange of Morrow county; from Rhea Creek, Arthur Means, master of Cherry Park Grange of Wasco county; Mrs. Mary Lindsey of Ione, master of Willows Grange; Lesly Babb, master of Rhea Creek Grange, and other visitors, Mr. and Mrs. Knight Miter and Mrs. Arthur Means, and Mr. and Mrs. Frank Sauter and Mr. and Mrs. Dewie Wagenblast all of The Dalles.

Mr. and Mrs. Knight Miter of The Dalles were visitors at the L. A. Palmer home last weekend, and Mr. and Mrs. Palmer accompanied by their guests motored Sunday to McNary Dam and interesting points and to Hermiston where they visited with the Kirk family. Mr. and Mrs. Miter were former residents of this community and greatly enjoyed re-creating acquaintances here, her and Mrs. Palmer had not seen each other in quite a number of years. They later returned to The Dalles with the other people who had visited Grange Saturday evening, and with Wagenblasts on Sunday.

The Lexington P-TA play "The Mystery of the Masked Girl" that was given last Friday night was well attended and proved most entertaining. The cast was as follows: Marjorie Wright, Jerry Doherty, Nita Gray, Juanita Martin, Lorene Ledbetter, Teresa Hatfield, Mildred Davidson, Mrs. Helen Leyva. Between acts we were most lucky to see some of the dancing class from Heppner and Hermiston performing for us.

P-TA met last Tuesday evening in the school auditorium with the president Mary Bates in the chair. The minutes were read and approved, and they heard a most interesting speech on Founders Day given by Mrs. Blaine Isom district Vice President of Pendleton. They also saw a short part of the P-TA play "The Mystery of the Masked Girl". Later refreshments were served in the lunch room.

Miss Dona Barnett and Mrs. Trina Parker were Pendleton visitors last week as were Mrs. Bob Davidson, Mrs. Bernard Doherty, Mrs. Bill Van Winkle Sr. and Mrs.

IONE School Notes

Chester L. Ward, superintendent

The Ione high school won both games here with Echo Friday evening Feb. 11 and won both games with Umatilla there Saturday evening. Ione is at present in 2nd place and one-half game behind Echo. Ione will play Boardman here Feb. 18 and Heppner here Saturday evening Feb. 19. The tournament will begin Feb. 24 at Umatilla when Ione will play at 3:00 p. m. with a third place team in the Eastern division.

Monday evening Feb. 14 the teachers attended a county teachers meeting in Lexington. Plans were made for the speech, music and spelling contests.

Tuesday evening Feb. 15 was Fun Night in the school gym sponsored by the senior class. Basketball games were played between the third and fourth grades and between the seniors and the town team. There were also stunts and good eats.

Thursday Feb. 17 the United Nations contest winner from Pendleton spoke before the entire student body. This was very acceptable to the students as some of them are planning to enter this contest.

Mrs. Pete Hayes was the hostess, who served strawberry short-cake and whipped cream at the Sewing Club Meeting, last Thursday. A good crowd was in attendance. Misses Martha Campbell and Kathryn Campbell who are the teachers in the Hermiston schools spent the weekend with their father, Pat Campbell and family, at Lonerock.

The pupils of Lonerock school presented a Lincoln Day program, Friday, with a coffee hour following immediately afterwards.

Jerry Wick and Dennis Talbert portrayed Abraham Lincoln and Marilyn Haynes, the statue of Liberty. The Lonerock Bugle and Drum Corps, which includes the eight pupils in school, gave a de-

monstration with Susan Rogers, as band leader. Much credit is due Mrs. Hueman, teacher for the time and effort which is given each pupil in this line of work. She was assisted in arrangements by Mrs. Pete Haynes.

Mr. and Mrs. Pete Haynes attended the dance at Hardman on Saturday night. Mr. Haynes assisted with the music during the evening.

Mr. Jack Stevens, Mrs. Ralph Moore and daughter, La Velle motored to Pendleton, Saturday, on a shopping tour.

Mrs. Lester Harrison served as hostess at the card party, Saturday night. A large crowd was in attendance, with Mrs. Guy Huddleston winning first prize.

Lester Wick made a trip to

Heppner, Saturday afternoon. Clarno McLaughlin of Portland, came to Long Creek Friday and took his mother, Mrs. George McLaughlin to Portland for medical attention.

Bill Conboy and daughter Kathy have been on the sick list the last week. They are both improved at this writing.

Mr. and Mrs. Lloyd Turney of Thirty Mile, were callers in Lonerock Thursday.

Mr. and Mrs. Homer Davis, Carolyn and Evan of Kinzua, visited with relatives over the weekend.

Mr. and Mrs. Cecil Hicks, Shirley and Le Roy of Kinzua, spent Sunday at Lonerock.

Mr. and Mrs. Pete Haynes made a business trip to Fossil Monday.

The answer to everyday Insurance problems*
By Turner Van Marter & Bryant

QUESTION: I don't have enough valuable possessions to warrant getting a Personal Property Floater policy but I'd like to know if I could cover my golf equipment under some kind of special policy. Is there one?

ANSWER: A special Golfer's Equipment Floater covers almost all risks at a low premium but you'd better ask a good insurance agent if that's the policy you should have.

*If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no charge or obligation of any kind.

NOW

...a FORD V-8

Built by the world's greatest builder of V-8's

Ford has built more V-8 engines than all other manufacturers combined... over 14,000,000! And this tremendous V-8 experience has enabled Ford in '55 to turn out in quantity the finest V-8's in the low-price field. So why wait? You can get a proved Ford V-8... and start enjoying its brilliant new performance, and new-car dependability right now!

Enjoy Ford's new

Trigger-Torque Power

For '55, Ford offers the brilliant-performing new Y-block V-8 and the even more powerful Y-block Special V-8. Both deliver Trigger-Torque power, which means you get the power you want when you want it, throughout the entire driving range of your car. With new Trigger-Torque Power you can have split-second starts... faster passing ability for a greater feeling of security... top-notch response at all speeds. And with Ford's high-compression, low-friction design and

deep-block construction, you can enjoy smooth performance and long engine life.

Relax in the smooth comfort of new Angle-Poised Ride

Ball-Joint Front Suspension, which Ford introduced in its field last year, has proved itself over billions of miles. For '55 it is still better. Springs are set at an angle to absorb shock from the front as well as straight up. This provides delicate

responsiveness to cushion tiny bumps as well as husky "muscle" to flatten big bumps.

Take your pick from 16

brilliant new Ford Models

This year, you get Thunderbird-inspired styling in any Ford you choose. And there's a variety of excitingly new single and two-tone body colors with charmingly color-keyed Luxury Lounge Interiors.

Paying too much for hit or miss nitrogen application?

Shell's way is the Sure way

to fertilize with Nitrogen

FIRST-AND BEST-IN AMMONIA FERTILIZATION!

NH₃ (anhydrous ammonia) is the fertilizer richest in nitrogen. Guaranteed 82% nitrogen, it carries more of this vital plant food than any other type of fertilizer. It provides wheat with nitrogen in a form it can use immediately, and maintains a supply of plant nourishment throughout the growing season.

When you buy Shell NH₃, you get the most experienced NH₃ fertilizer service. Trained dealers—with years of Shell know-how behind them—supervise the whole job

for you. These specialists know local crop and soil conditions, use application equipment perfected through years of experience. Shell's way is the SURE way!

Shell NH₃ applications help speed up decomposition of crop residue, improve soil tilth, provide the right amount of nitrogen at planting time to get seeds off to a healthy start. You get healthier stands, yield increases up to 50% or more, and a return of as much as \$4 for every \$1 invested.

Ask us for a copy of the Shell NH₃ bulletin on the SURE way to fertilize wheat.
