

Easter Dinner Is Planned By Lex Triple Link Club

By Delpha Jones

The Lexington Three Links club met at the home of Mrs. A. F. Majecke on Thursday afternoon with president Mrs. Eugene Majecke presiding. The main topic of business was plans for a Easter Day Dinner to be given in the hall on Easter Day from 1:00 until 3:00 p.m. This is to help with the redecorating of the front hall for a recreation hall. Later refreshments were served to the following: Mildred Davidson, Catie Padberg, Cora Warner, Florence McMillan, Audrey Ansted, O'Hillia Hunt, Alice Majecke and the hostess Freda Majecke.

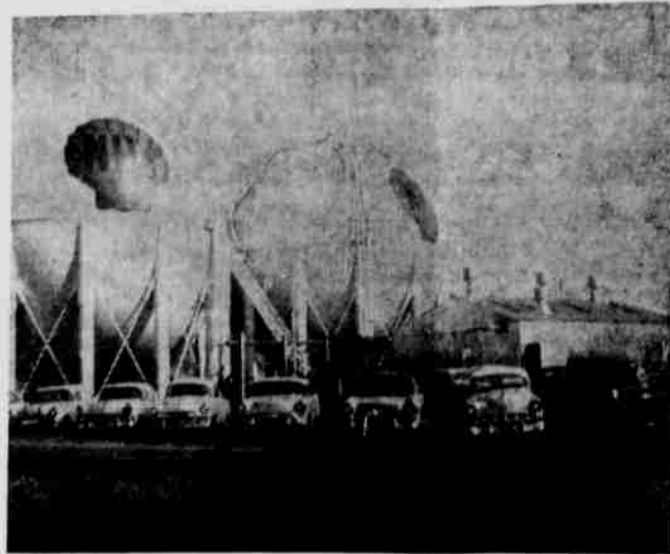

Mr. and Mrs. Swindle and 2 children of Hammond, Indiana have arrived at the home of Mrs. Swindler's parents, Mr. and Mrs. Charles Buchanan for a visit.

Joe Cornillon is a patient in Pioneer Memorial hospital following major surgery there one day last week.

Mr. and Mrs. Malcolm Richelderfer and children of The Dalles visited their daughter Georgia and Mrs. Richelderfer's mother, Mrs. Charles Breshears, over the weekend.

Dan Way is a patient in Pioneer Memorial hospital.

The Lexington Grange met on Saturday night with the Master Alvin Wagenblast presiding. The degree work of the third and fourth degrees were given by the Lexington degree team to the following candidates: Mr. and Mrs. M. V. Nolan, Mrs. Clarence Bauman, and Mr. and Mrs. Harold Beach. After the work was finished which consisted of several beautiful tableaux, the business

DEDICATION—The new \$2,750,000 Shell Chemical Corp. anhydrous ammonia storage facility on the Snake river near Pasco, Wash., was dedicated Tuesday at ceremonies attended by over 1700 persons. Main speaker was Ervin L. Peterson, assistant secretary of agriculture. These two giant spheres contain the refrigerated ammonia which is used for fertilizing on thousands of acres in Eastern Oregon and Washington. The facility includes modern loading docks for receiving shipments by water from California. (GT Photo)

Maxine Brown, Catie Padberg, June Cooper, Audrey Ansted and Jo Irvin.

Eileen Breeding, daughter of Mr. and Mrs. Bert Breeding, who has been attending school here, returned to the home of her parents in Stanfield last week.

Mr. and Mrs. Floyd Smith of Glide, Oregon, arrived at the home of her parents, Mr. and Mrs. O. G. Breeding on Monday for an indefinite visit.

Mr. and Mrs. John Edwards and children visited at Mitchell over the weekend at the home of her parents, Mr. and Mrs. Charles Lourey.

Mr. and Mrs. Roger Anderson and daughter Bunny June of Pilot Rock were visitors at the W. J. Van Winkle home Sunday.

Mrs. Bud Buchanan and son Teddy of Seattle are visiting at the Jack Griffin home.

Mr. and Mrs. Raymond Ferguson and Mr. and Mrs. P. W. Mahoney attended the basketball games in Corvallis over the

weekend. Mr. and Mrs. Robert Penland and Neal visited in Redmond and Bend over the weekend.

meeting was held. Later refreshments were served in the basement.

Deanna Steagall who attends the St. Joseph's academy in Pendleton spent the weekend with her parents, Mr. and Mrs. Wilbur Steagall. She was accompanied home by Judy and Cathy Domschet of Pendleton who also visited at the Steagall home.

Mr. and Mrs. L. E. Ruhl were Salem visitors over the weekend.

Mr. and Mrs. George Irvin and daughters visited Sunday night at the Jeff Ramsey home in Ordance.

The business meeting of the Lexington Sunday school was held in the church on Thursday evening with the superintendent of the Sunday school presiding.

The Sunday school program for Easter Sunday was discussed and it was announced that there would not be an Easter breakfast as previously announced. The meeting was turned over to the church meeting which was presided over by the chairman Don Campbell. At this time it was announced that Mrs. McCormack from Pendleton would show her pictures of her trip to Europe and the Holy Land Monday the 21st at the church in the evening. It was asked that this be announced to everyone that might like to attend. Also a fellowship dinner was discussed which is to be held some time in April, this to

be given by the church, to which all friends and neighbors are invited to attend. This dinner will be held in the I. O. O. F. dining room. A short program will also be enjoyed at this time. Later refreshments were served by Mrs. Bill B. Marquardt to the following: Dona Barnett, Trina Parker, Mr. and Mrs. Don Campbell, Mr. and Mrs. Douglas Price, Mr. and Mrs. L. G. Wetzel, and Mrs. C. C. Jones.

After the regular meeting of the V. F. W. on Thursday evening Mrs. Valda Way, president, was delightfully surprised with a personal shower, given by the auxiliary with Audrey Ansted and Jo Irvin acting as hostesses. Preceding the shower was the business meeting at which Mrs. Way presided. At this time the Thespians turned over \$51.20 to the auxiliary from the play that was recently given for their benefit. Later refreshments were served to the following: Barbara Cutsforth, Maxine Cox, Alice Majecke, Mildred Davidson, Rhoda Buchanan, Margaret Nichols, Mary Edwards, Freda Majecke.

Hepner High School SCOOP

By Barbara Prock

Fifth place trophy was brought home by the Hepner team members from the state tournament. Hepner was well supported by students and townspeople.

"No school Friday" is the cheer heard from the students because of the one-day spring vacation. Nine week exams will be given March 21 and 22.

Track is the latest event started at school. Mr. Mallon, seventh grade teacher will be the coach. Several seniors have been taking entrance exams for college in Portland and Walla Walla.

Dr. G. Burton Wood, head of the department of agricultural economics, at Oregon State College will be the commencement speaker at graduation May 25.

Clarice Hastings, FLA president, was invited to attend the O B E A luncheon Thursday but will be unable to attend.

Now you Know!

The answer to everyday Insurance problems*

By Turner Van Marter & Bryant

QUESTION: Can you tell me whether the phrase "actual cash value" as used in a fire insurance policy refers to the value at the time of construction or at time of loss?

ANSWER: We always like to see the individual policy when answering a question of this kind but almost certainly the phrase relates to value at the time of loss.

*If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no charge or obligation of any kind.

Paying too much for hit or miss nitrogen application?

Shell's way is the Sure way

to fertilize with Nitrogen

FIRST-AND BEST-IN AMMONIA FERTILIZATION!

NH₃ (anhydrous ammonia) is the fertilizer richest in nitrogen. Guaranteed 82% nitrogen, it carries more of this vital plant food than any other type of fertilizer. It provides wheat with nitrogen in a form it can use immediately, and maintains a supply of plant nourishment throughout the growing season.

When you buy Shell NH₃, you get the most experienced NH₃ fertilizer service. Trained dealers—with years of Shell know-how behind them—supervise the whole job

for you. These specialists know local crop and soil conditions, use application equipment perfected through years of experience. Shell's way is the SURE way!

Shell NH₃ applications help speed up decomposition of crop residue, improve soil tilth, provide the right amount of nitrogen at planting time to get seeds off to a healthy start. You get healthier stands, yield increases up to 50% or more, and a return of as much as \$4 for every \$1 invested.

Ask us for a copy of the Shell NH₃ bulletin on the SURE way to fertilize wheat.

Are you a "Do-It-Yourself" Driver?

Or would you rather be waited on hand and foot?

Rather shift for yourself... or let Powerglide do it?

Shifting's smooth and easy with Chevrolet's new and finer Synchro-Mesh transmission. A flick of your wrist is all it takes to shift gears.

Powerglide, too, is better than ever this year. Even smoother and sturdier. It's the most popular automatic transmission* in Chevrolet's field!

Want standard steering... or extra-easy Power Steering?

Try this easy new Chevrolet steering. Only Chevrolet and some higher-priced cars use a ball bearing system to cut friction to a minimum.

There's nothing quite so easy as Power Steering, of course. Good news: Chevrolet's new linkage-type Power Steering* carries a reduced price!

Apply the brakes like this... or have power make it easier?

Improved brakes and new swing-type pedals make stopping a cinch. And Chevrolet's exclusive Anti-Dive control gives you "heads up" stops!

Chevrolet Power Brakes* are better than ever this year—let your stop by a simple pivot of your foot from accelerator to swing-type brake pedal.

Position the seat yourself... or let electricity do it?

Chevrolet's big, beautifully upholstered front seat moves up and forward or down and back into your most comfortable driving position.

No worry about your battery in a new Chevrolet. It's the only car in its field with the reserve power of a 12-volt electrical system!

Automatically—

Chevrolet's stealing the thunder from the high-priced cars! What's a high-priced car got that Chevrolet hasn't? Not automatic power features. Not style—just look below. Not performance—just try out Chevrolet's new V8 or one of the new 6's. Not ride

COMPLETE and OFFICIAL figures show that again in 1954—for the 19th straight year—MORE PEOPLE BOUGHT CHEVROLETS THAN ANY OTHER CAR!

FULLETON CHEVROLET CO.
