MILLIONS FOR OREGON BRIDGE The man who devised the highway numbering system for the entire Japanese Empire, after participating in the invasion, was promoted to state bridge engineer this week by R. H. Baldock, state highway engineer.

Phillip M. Stephenson, who takes the position which involves supervision of approximately 100 engineering employees, on a state-wide basis, will have the responsibility for the design and construction of all bridges, buildings and other structures built by the state highway department.

The bridge division anticipates \$18,000,000 of structural work in 1955.

Stephenson is a registered professional engineer and a graduate in civil engineering from Oregon State College. He first went to work for the department in 1919.

WINTER SHIPPING LOWER Shipping point inspectors of the Oregon Agricultural Department estimated totals of fresh fruits and vegetables shipped out of the state as 3211 carloads during February. This is 387 carloads short of February 1954. Potato shipments accounted for approximately two-thirds of the total last month, while other shipments included onions, 680 cars; apples 346 cars; and pears, 206 cars.

SHIPPERS CONFERENCE A general conference with shippers and representatives of Oregon industries will be held Monday, March 21, in the State Office Building in Portland.

The announcement was made Monday by Charles H. Heltzel, public utilities commissioner who
