STYLED FOR RUGGEDNESS

In an unusual styling departure, Chevrolet gives its various series of 1955 truck models distinctive designs. This is the front-end of one of the heavy-duty models with a single massive element dominating the grille. Roomier cabs, increased visibility and "Safety Steps" are among scores of improvements to all the 75 models on 15 wheelbases.

Jeep 4-WHEEL-DRIVE VEHICLES

They Get Through When Others Fail

UNIVERSAL Jeep

Jeep TRUCK

'Jeep' 4-wheel-drive vehicles are rugged, hardy and built to withstand brutal day-by-day usage. 4-wheel-drive traction gets them through mud, muck, sand, ice or snow when others fail. They can climb grades up to 60% fully loaded.

The uses of these sturdy 'Jeep' vehicles are almost numberless. Example: they can carry power driven machinery to hard-to-reach places... with the power take-off, they can supply the power.

Low first cost, and low maintenance and repair bills make 'Jeep' vehicles easy on your budget.

TWENTY-FIFTH ANNIVERSARY 1930-1955

To Our Patrons and Friends:

WE INVITE YOU

TO ATTEND THE BANQUET
HONORING OUR

25th ANNIVERSARY

WHICH OCCURS ON

Tuesday, April 5

THE DINNER WILL BE SERVED
PROMPTLY AT 7:00 P. M. ON
THAT DATE IN THE HEPPNER
FAIR PAVILION.

Following the dinner a short discussion of the 1955 storage situation will take place, and there will be an interesting speaker on another subject and a short program of other entertainment. We promise you a short meeting and a good time as this banquet is being given primarily to celebrate 25 years of successful operation.

A handsome travel clock is being given as a door prize for arriving on time. This drawing will take place at 7 p. m. Later in the evening there will be two drawings for attendance prizes. The first prize will be a U. S. Government Savings Bond with a maturity value of \$50.00 and the second award will be a \$25.00 Government bond. Useful mementos will be given all who attend.

Plan now to attend.

SINCERELY YOURS,
AL LAMB, Manager
