High score in bridge was held by Mrs. Harold Cohn and low by Mrs. Les Wyman. Mrs. Kemp Dick was high in pinochle and Mrs. Henry Hoppold, low. The door prize was received by Mrs. Gene Ferguson.

The officers wives were the hostesses for the evening.

Hepner High School SCOOP

By Barbara Prock

Lexington grange has selected its 1955 Fair and Rodeo princess—Miss Marilyn Munkers, a junior at Hepner high. Marilyn is the feature editor of the high school paper, the Hehisch.

Class King and Queen nominees for the Carnival April 16 sponsored by the band parents are seniors: Joan Wright, Neil Beamer; Juniors: Nancy Anderson, Mike Monahan; sophomores: Marilyn Pettyjohn, Jerry Dougherty and freshman: Janice Beamer, Burke Gentry. Support your candidate by penny votes.

Junior class president, Steve Green announced the junior and senior banquet and prom is scheduled for May 13.

Glancing at the well-kept surroundings of our school, I observe the trees have been recently pruned.

1955-56 annual editors have been selected. Major office, assistant editor is to be filled by Jay Sumner.

Third place honors were won by the Hehisch in the Oregon Scholastic Press editorial page contest recently. Judging was based on three criteria: physical appearance (makeup and typography); scope and variety of content; and writing itself.

Paying too much for hit or miss nitrogen application?

Shell's way is the Sure way

to fertilize with Nitrogen

FIRST-AND BEST-IN AMMONIA FERTILIZATION!

NH₃ (anhydrous ammonia) is the fertilizer richest in nitrogen. Guaranteed 82% nitrogen, it carries more of this vital plant food than any other type of fertilizer. It provides wheat with nitrogen in a form it can use immediately, and maintains a supply of plant nourishment throughout the growing season.

When you buy Shell NH₃, you get the most experienced NH₃ fertilizer service. Trained dealers—with years of Shell know-how behind them—supervise the whole job

for you. These specialists know local crop and soil conditions, use application equipment perfected through years of experience. Shell's way is the SURE way!

Shell NH₃ applications help speed up decomposition of crop residue, improve soil tilth, provide the right amount of nitrogen at planting time to get seeds off to a healthy start. You get healthier stands, yield increases up to 50% or more, and a return of as much as \$4 for every \$1 invested.

Ask us for a copy of the Shell NH₃ bulletin on the SURE way to fertilize wheat.

Want to feel like a pilot feels?

HOTTEST BUICK IN HISTORY
No wonder you see so many '55 Buicks on the highways—they're rolling up bigger sales than ever before in history—tapping the popularity that has already made Buick one of the "Big Three" of America's best sellers.

Today's the day to "Join The Test Pilot Club" and see what a thrill you get when you try Variable Pitch Dynaflo*

We're not kidding. When you try a '55 Buick with Variable Pitch Dynaflo, you'll feel like a pilot does when he heads his plane down a runway for take-off.

For you, in the driver's seat, are doing what that pilot does—you're changing the pitch of your propellers—one way for instant response on getaway—another way for better gas mileage in cruising.

Your propellers are whirling in oil, deep inside the Dynaflo unit. When you press the pedal in the normal way, you hold those propellers in their economy angle—and you enjoy plenty more miles from your gasoline.

But when you want instant acceleration—for quick getaway, or for a sudden safety-surge of emergency power—you just press the pedal way down, and—with absolute smoothness—you get

the action you want, and split-second quick.

It's the thrill that's the talk of the industry—performance unlike anything you have ever known before on the ground.

And so many folks have been asking to try it that we Buick dealers across America have set up April as "Test Pilot Club" Month. All it takes to join the "Club" is a test drive at the wheel of a new Buick. That's all.

So we cordially invite you to win your "wings"—to try the spectacular performance of Variable Pitch Dynaflo—and to feel the mighty V8 power that puts the whip to these gorgeous new Buick beauties. Drop in this week.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Local delivered price of the 1955 Buick SPECIAL

2-Door, 6-Passenger Sedan, Model 48 (illustrated) is

\$2638.27

Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities. Even the factory-installed extras you may want are bargains, such as: Heater & Defroster—\$81.70; Radio & Airplane—\$92.50.

Said a sleuth: Ah! The mystery's unravelin'—About cars that "take off like a javelin." But with Dynaflo's switch Of its Variable Pitch—You were here. Now you're there. Boy, that's travelin'!

(Why don't you try a Buick?)
