And a DuMont Teleset* gives you pleasure and satisfaction... in consistently better pictures and in handsome cabinet styling to complement your home. To this you can add real economy and satisfaction in dependable, trouble-free performance. Before you buy, better ask yourself if these things aren't to be valued a little more than mere claims of "low, low, rock-bottom" prices.

Isn't it true then, if you're wise enough to buy the best because you know it really costs the least... why settle for just television? Get a DuMont Teleset.
