Make your retirement a real reward for your work!

Start now to buy the ease and comfort you've always wanted—through U.S. Savings Bonds

LOTS OF PEOPLE seem to think that if they never look ahead, they'll never see the time when they retire. But sooner or later, that time rolls around anyway, for all of us. So look ahead! You can make your retirement a wonderful reward for your work—if you have the money. And the best way to have it is to start investing now—in U. S. Series E Savings Bonds.

Why Savings Bonds? Because for your retirement, you want the surest, safest investment you can get. Another reason. You want an investment that earns good interest for you. U. S. Savings Bonds do that—earn 3% compounded semiannually when held to maturity. You'll be surprised how fast your money piles up!

And there are no other securities you can purchase more conveniently. Just sign for the easy, automatic Payroll Savings Plan where you work. Or if self-employed, invest in Bonds regularly where you bank.

Start now to make your retirement dreams come true, through U. S. Savings Bonds!
