**WHAT'S DOING**  
D. A. Short, your Telephone Manager for Heppner

**The telephone call that made Joanie's heart jump**

Joan might be the girl next door. At 14, she's cute as anything. And you should have seen the look on her face the night Joe, one of the fellows in her class, called to invite her to the next school dance. Outwardly, Joanie seemed calm. But when her Dad nodded "yes" to her, she was almost speechless. After all—a first date happens but once. And when you stop to think of it, isn't it true that telephone calls herald many a big moment in our lives—reunions, weddings, births? Yet consider how little your telephone actually costs for all the ways it serves you. Isn't it one of today's best buys? Pacific Telephone works to make your telephone a bigger value every day.

**An up-to-date telephone arrangement for your home**

Folks who go in for modern living are finding how handy it is to have a telephone in each of the rooms they use a lot. Just think how much you'd enjoy a telephone in the kitchen where you can call or answer without leaving your work. Of course, one in the living room is practically a must. And in the bedroom a telephone adds comfort, security. With up-to-date telephone arrangements, you save time. You save steps. You have privacy for your calls. And you can enjoy the convenience of added telephones for only a little more than you pay now. Why not call us and talk it over soon.

**Easy way to find gift ideas**

With Mother's Day just around the corner, maybe you're doing some head-scratching right about now, trying to decide what to get Mom this year. But gift ideas needn't be hard to come by. Not if you use the Yellow Pages in your telephone book. Just start looking through them. You'll be surprised how many good gifts are suggested by the page headings. Even better, you'll find the telephone number and address of each seller on the same page. Why not try it right now, while you're thinking about it. Pacific Telephone.

# You Live Better for Less With Cheap Electricity Serving You!

**EXAMPLE: AN AUTOMATIC WASHER WORKS FOR JUST A FEW CENTS A WEEK**

**S**ome day you'll have an automatic washer—why not now? It will do all your hard washday work for a few pennies a week at Pacific Power's low electric rates. It washes clothes cleaner at the turn of a dial, and you'll never even put your hands in water!

To supply your washer with all the hot water it needs, at the right temperature, be sure you have a modern, automatic electric water heater. It's the second requirement for cleaner clothes always.
